

Three Waves Of Volunteers And The New Earth

Christiane Northrup, M.D.

The Three Waves of Volunteers & the New Earth Dolores Cannon, In 1945 when the atomic bombs were dropped in WWII, our protectors and watchers in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the outside, but maybe they could influence from the inside. So the call went out for volunteers to come and help. Earth is in trouble - who wants to volunteer? The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the Source and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012?

Spiritual Nutrition Mike Radice, 2024-04-26 The New Earth is the happy ending predicted by spiritual mystics for thousands of years. Nirvana, Heaven, Shambhala, Gaia, and Third Temple are some of the names, but the name is irrelevant. It's a higher vibrational dimension without fear, binarism, and violence. Peace, collaboration, and a clean planet are the norms. Spiritual Nutrition provides tools to bring the New Earth to us smoothly. The book enables readers to understand and feel what's going on and helps them make changes to themselves to help. It presents strategies and steps to clean the body, mind, and spirit; lift the vibration; and spread loving light as an antidote for fear and hate. It also questions the meaning of reality. The book relies on an energy vibration context for its argument. Higher vibrations are peaceful, kind, and smooth, the kind we need to move to the New Earth. Lower vibrations are angry, destructive, and disempowering--the kind that holds us in a world of fear and hate. The book relies on vibrational lifting as the goal and prescribes a path of a plant-based diet, meditation, yoga, thoughtfulness, and kindness to self and others.

Messages from Love Connie Cord, 2024-10-23 Obtaining clarity through awareness is key in the exploration of the awakening and ascension process. With eyes wide open you are able to step into the next phase of your unique journey. This is accomplished through the unveiling of your passions, allowing you to live a purpose-filled life. Discovering your relationship with the realm beyond your sight grants the synergistic connection needed to generate yourself anew. This third installment discusses ascension and the symptomatic evolution that your soul and human vessel goes through as you elevate your vibration and frequency. Creating awareness through the step-by-step process of moving away from the illusionary 3D construct to opening your visceral eyes to the wisdom of 5D consciousness promotes movement towards the goal of living in a Christ-Conscious state of being. As we do the work to understand ourselves at our core, we gain perspective through every life experience, eventually concluding we are in control our lives merely through the lens in which we see it. We'll know we've arrived when freedom from the worldly chains are severed and gratitude, love and grace for ourselves and others become our peaceful abode. This guide, the third in a series, invites you to continue the process of uncovering your true self through awakening and empowering a perspective that resonates deeply.

Dodging Energy Vampires Christiane Northrup, M.D.,2018-04-17 Highly sensitive people—or empath—see life through the eyes of compassion and caring. They were born that way. As a result, they carry a tremendous amount of inner light. But they're also the favored prey of "vampires" who feed off empaths' energy and disrupt their lives on every level—physical, emotional, and financial. In *Dodging Energy Vampires*, Christiane Northrup, M.D., draws on the latest research in this exciting new field, along with stories from her global community and her own life, to explore the phenomenon of energy vampires and show us how we can spot them, dodge their tactics, and take back our own energy. You'll delve into the dynamics of vampire-empath relationships and discover how vampires use others' energy to fuel their own dysfunctional lives. Once you recognize the patterns of behavior that mark these relationships, you'll be empowered to identify the vampires in your life too. In these pages, Dr. Northrup opens up a toolbox full of techniques you can use to leave these harmful relationships behind; heal from the darkness they've cast over your mind, body, and spirit; and let your own light shine. In the end, you may find yourself healthier, happier, wealthier, and more vibrant than you ever believed possible.

Snoring Awoken Wide Awake Conrad Kirk,2024-11-08 So busy struggling through life feeling somehow invisible doors when only half opened getting slammed shut. With the flash of a bright light going from an ordinary life to an extraordinary

spiritual awakening which was so raw and intensifying is best described as a yo-yo spinning on the String of life, riding an emotional rollercoaster, navigating a spaghetti junction, inside a cosmic Rubix cube, drowning in a Waterfall of tears, whilst unconsciously and unknowingly deprogramming from a Matrix I never knew existed. Thrust into a Metaphysical Realm infused with parallel Dimensions, so Magical, so real and at times so dark. I dived with a bungee jump deep into my Heart that I haven't yet touched the ground. I'm not opening Doors. Now I'm blowing them off the hinges. With a spark in my soul, a flame in my Heart and Tears in my eyes. This is my story through the Darkness to spread love and light to all the neglected and unawakened Divine Souls of this Earth. To then start your own journey of truth, unravelling the light of your inner child that has been trapped deep within a consciousness. Controlled, restricted and encased inside a hidden cocoon. Patiently waiting to be unshackled from its dormancy, and then begin to radiate its loving glow letting it shine outwards in every direction.

Beyond Our World, Book 1 - Stellar Soul David Rousseau, 2023-09-05 I am a stellar soul from the Great Central Sun experiencing earth through this human avatar. I quickly remembered that I was not from this world. From the age of six to forty-six, very few knew of my experience (except for those close to me). It all began one evening in the summer of 1981, when I was playing outside. I saw a bluish-white light come down from the sky and position itself right above me. It just stood there, motionless. The moment seemed to last forever. When the object had gone back to the vertical and at an incredible speed, I found myself in front of a being, which was obviously not terrestrial: humanoid in shape, bluish skin with slight silver highlights, large green eyes and long, deep black hair... It was Ezahyel, my brother from the Pleiades. He would come back to see me so that I would not forget who I was and where I came from. Forty years later, my first book was published: *Au-Delà De Notre Monde*, in which I relate my personal, spiritual, universal and galactic experiences.
