**The Vanishing Conscience** John F. MacArthur, 2005-03-06 Are you losing your ability to recognize sin? Are you becoming a person who finds it easy to shift blame, deny guilt, or excuse moral failure in yourself or others? In this challenging yet compelling book, John MacArthur encourages you to confront the culture's flight from moral responsibility. With sound biblical truth, this book shows how and why sin must be dealt with if you are to live in a way that pleases God. With clarity and insight, John MacArthur provides you with solutions for attaining a personal holiness that can take you from living a life of blame and denial to one of peace and freedom. Praise for *The Vanishing Conscience*: . . . a wake-up call and an alarm to jolt the sleeping church. Not all will like it, but all should read it. In this day of morality by majority, self-centered ministry, and twilight-zone theology, a clear word like this is long overdue.--Dr. Adrian Rogers, Pastor, Bellevue Baptist Church . . . a clear and prophetic word that we must hear and heed. --Dr. Joseph M. Stowell, President, Moody Bible Institute With the clarion call of a prophet, MacArthur points us back to something we have forgotten: the value and importance of a clean conscience. --Greg Laurie, Senior Pastor, Harvest Christian Fellowship

**The True Justice of a Just God** Lawrence Panarello, 2007-03 This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all.-1 John 1:5 Is there really a God who is composed of love and true light? Are catastrophes, natural disasters, and calamities-what we consider acts of God-examples of God's justice or the result of spiritual warfare? *The True Justice of a Just God: Discovering God's Redemptive Plan for Mankind* takes a deep look into God's very nature to answer these and many other questions about God from the past and present and through eternity. With an in-depth exploration of the Scriptures, author Lawrence A. Panarello offers you biblically based answers

that will surprise even Christians familiar with the Old and New Testaments. Panarello uniquely combines the ideas from Genesis to Revelation to share God's redemptive plan for mankind, a lesson certain to thrill those seeking God's true nature. The True Justice of a Just God will lighten your heart today and give you a lively hope for tomorrow, allowing you to view God and life from a heavenly perspective and discover peace in your soul.

*Illuminating the Narrow Gate* Karl R. Luther, 2022-01-17 The apocalyptic end times have finally arrived. What is coming to an end, though, is not what you have been led to believe. Do you desire the truth about God, our foremost religions, the purpose of life and the future of our planet? Are you ready to challenge the religious powers that be to learn what most would rather not know? If so, this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure, unconditional love (a God who has no cause or need to ever judge or condemn anybody). *Illuminating the Narrow Gate* reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality. Brimming with astonishing insights and revelations, it will shock the world by debunking the “fire and brimstone” theology of mainstream Christianity. It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel, the gospels and Revelation in their entirety. In fact, they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries. Like a challenging riddle that cannot be solved, the answer is obvious in hindsight. Only the blinding power of a paradigm can explain how we missed it for so long. The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means. It convincingly describes how Jesus had come to uproot Judaism, but the version of Christianity that developed in his wake failed to make the paradigm shift. Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority. The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War. Furthermore, the book illuminates the nature of evil and its well-cloaked ways, which is essential for unraveling the prophecies. This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding. As the first devout Christian to read this interpretation commented, “It rocked my apple cart to the core.” In addition, it presents an array of scientific evidence for the spiritual realm’s existence that complements its amazing demonstration that long-range prophecy is truly possible. It thus shows the atheistic religion of scientism is also doomed. Meanwhile, the book proves Jesus was the “Anointed One” (Messiah) with a telescoping trio of prophecies (from Daniel) that foretold the onset of his ministry to the reign of the Roman Empire, to its first ten emperors in the 1st century CE and to 27-34 CE. Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation. The great spiritual awakening will soon be kicking into high gear, which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been

awaiting. As Jesus and a group of angels informed an atheist during his near-death experience in 1985, “The world is at the beginning of a major transformation. It will be a spiritual revolution that will affect every person in the world.” Can you handle the truth? Are you ready to awaken? If so, this world-changing book is at your service. \* You only have to purchase Vol. I to get the book’s core insights and revelations. A PDF document of the Endnotes, Bibliography, Index, et al. (published in Vol. II) can be downloaded for free from the book’s website to make Vol. I a self-standing book.

**Scripture and Metaphysics** Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates, bridging scriptural and metaphysical approaches to the triune God. Bridges the gap between scriptural and metaphysical approaches to biblical narratives. Retrieves Aquinas’s understanding of theology as contemplative wisdom. Structured around Aquinas’s treatise on the triune God in his ‘Summa Theologiae’. Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God. Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles.
