The Power of Divine Timing Joy Yascone Elms,2018-11-19 The secret to success in every endeavor is timing. What Divine Time are you on now? Take a look inside to find out! This is The Power of Divine Timing 2019! The Power of Divine Timing 2019 is an annual astrological guide and method that helps readers to nurture the correct source at the right time to create desired results based on astrological timing. You've heard the term, "have an attitude of gratitude"; but how can you be gracious if you can't see the blessings, you're supposed to be grateful for? Indeed, sometimes we have starved the blessings so much, it's as if they do not exist, or they have simply withered and died. That's sad; right? Humans tend to naturally feed the wrong source, challenges. You may also know that whatever we feed, whatever we nurture, grows stronger. You hear this time and time again from wise and prophetic teachers: "Live in the moment." How do you do that when you don't know what moment you're in—or where to place your intention and energy? That's where The Power of Divine Timing 2019 comes in! This is The Power of Divine Timing 2019—the technique that locates your specific, personal Universal blessings and challenges in real time and simply teaches you how to starve your challenges and to nurture and grow your blessings! The question then becomes: what happens to something that starves? It cannot exist without a source of energy feeding it. So, this, simply put, means you can starve your challenges to death until they have no power to survive and wreak havoc in your life. For, what I have intrinsically found is that when you focus on the blessings in your life, solutions for life's challenges can be found there. It's really quite easy. Each chapter focuses on the planet's current transits and movements, how they affect each astrological sign from the perspective of Challenges, Blessings, Change, and how to approach your current chart utilizing The Power of Divine Timing Technique. You should read both your Sun and rising sign. As you get familiar with this year's challenges and apparent Universal Blessings, you can start to nurture the right source. As

you nurture the correct source, you will notice your life shifting, the challenges diminishing, and the blessings increasing. I have included exercises and suggestions for each of the astrological signs, and transits, to assist you in nurturing the right source.

Signs of Success Steven Mark WEISS,2008-05-16 J.P. Morgan once famously remarked, "Millionaires don't have astrologers. Billionaires do." For modern business professionals, the idea that what's in the stars might have some bearing on the very cut-and-dried, numbers-dominated corporate environment may seem pretty "out there." But time and time again, the science of astrology has been shown to provide uncanny insight into timing and trends. This book examines the accomplishments of hundreds of business greats—from Walt Disney to Oprah Winfrey to Bill Gates—through the remarkable and surprising lens of astrology. Signs of Success gives all readers, be they astrological doubters, dilettantes, or devotees, a practical and entertaining overview of the many applications of astrology to business endeavors. The book provides an analysis of the 12 zodiacal business personality types, and fascinatingly recounts how an understanding of the stars has affected landmark business events throughout history. Witty, wise, and practical, this delightful book shows readers that

when it comes to real-world business and leadership, the sky truly is the limit.
