Would also make an inspiring traveler's notebook/journal. Treat yourself or give as a gift to another sister, friend or lover. Grab it with you when going to office, school, or cafe. Perfect for planning and note taking.

Quotes for Nasty Women Linda Picone, 2017-09-05 Nasty women, unite—and read this compendium of fascinating quotations about powerful women through history. “My passions were all gathered together like fingers that made a fist. Drive is considered aggression today. I knew it then as purpose.” —Bette Davis When Donald Trump referred to Hillary Clinton as “such a nasty woman” during the last presidential debate in 2016, women everywhere felt a jolt of recognition—whatever their politics or feelings about Clinton. In response, they promptly turned his insult into an empowering slogan. This book celebrates the now-ironic phrase with a collection of quotations by and about strong women, both critical and positive. The words come from figures in ancient history like Cleopatra; founding mothers like Mary Wollstonecraft and Elizabeth Cady Stanton; feminist icons such as Gloria Steinem and Betty Friedan; politicians and government leaders; groundbreakers in arts and culture; celebrities; and the mothers, daughters, and sisters at home.

Quote Book: Quotes from Powerful Women about Power Dr. Leigh-Davis, 2012-06-21 Dr. Leigh-Davis, law professor, anthropologist, retired attorney, and media personality shares some funny, interesting, and historic quotes. Powerful women pave the way for those to come and open doors that have long been closed. Through the wisdom and experience of these leading women, young people not only have someone to inspire them, they have someone to model themselves after. For readers looking to get to the next level of their lives, quotes from these powerful women can be used as daily affirmations on the road to success, or witty anecdotes when you need to pick yourself up and get back on your feet. Irrespective of how you use these quotes from some of the most powerful women to have walked the earth, you will laugh, ponder and reminisce as you enjoy reading them.

600 powerful quotes from top motivators Tony Robbins Zig Ziglar Robert Kiyosaki John C Maxwell Jim Rhon É

to lift you up DOTCHAMOU ZAKARI,2018-07-30 Pity the man who inherits a million dollars and who isn't a millionaire. Here's what would be pitiful: If your income grew and you didn't. -- Jim Rohn Maturity is the ability to reap without apology and not complain when things don't go well. -- Jim Rohn If you depend on your company to take care of your retirement, your future income will be divided by five. Take care of it yourself, and you can multiply your future income by five. -- Jim Rohn There is no better opportunity to receive more than to be thankful for what you already have -- Jim Rohn Days are expensive. When you spend a day you have one less day to spend. So make sure you spend each one wisely. -- Jim Rohn Don't mistake movement for achievement. It's easy to get faked out by being busy. The question is: Busy doing what? -- Jim Rohn Words do two major things: They provide food for the mind and create light for understanding and awareness. -- Jim Rohn

World's Greatest Motivational Quotes Catriona Crombie,2012-03-29 Motivation. What is it? It's the force that makes us act, it drives us on. It's the making up our minds to do something, starting out and carrying on, regardless of the obstacles along the way. It's focusing with all the vigour we can muster on achieving our goals. It's the effort we put into things that determines the outcome. Sometimes it's plain sailing and we make great headway; other times it's not so easy. This collection of motivational quotes designed to encourage and re-energize you, to inspire you to carry on believing in yourself. As the Nike motto says, Just do it!

And I Quote, Revised Edition Ashton Applewhite,Tripp Evans,Andrew Frothingham,2003-03-19 The popular guide to quotable quotes returns in a totally revised and updated edition including all-new material.

How to Survive and Thrive When Bad Things Happen Jim Taylor, PhD,2019-06-08 Few of us go through life without experiencing some sort of crisis, whether health, financial, relationship, career, or personal safety. Crises happen and they are often out of our control. But the one thing we can control is how we respond to them. Yet, our natural instincts often hinder us as we confront today's crises that are complex, amorphous, and not readily solvable. Changing our reaction to a crisis is an immense challenge, yet with powerful lessons provided in these pages, anyone can turn crises into opportunities for reflection, positive action, and growth. . A crisis mentality can overwhelm you when bad things happen. Turning crises into opportunities empowers you to overcome the darkness that can engulf you in troubled times and allow you to seek the light that can guide you through hard times. Exploring the essential psychological, emotional, and interpersonal factors that most impact your reaction to a crisis, Jim Taylor provides you with deep insights and practical tools that help you move from

a crisis mentality of fear, pessimism, and panic that controls you to an opportunity mindset of calm, confidence, and courage that you control in a crisis. He offers compelling examples, both recent and historical, well-known and unfamiliar, to bring these issues to life. Illustrations from government, large and small business, and ordinary people will highlight who responded well and who did not. Break free from the crisis mentality and embrace an opportunity mindset with nine strategies that will not only help you to survive, but actually thrive, when bad things happen.

African American Actresses Charlene B. Regester, 2010-06-14 Nine actresses, from Madame Sul-Te-Wan in *Birth of a Nation* (1915) to Ethel Waters in *Member of the Wedding* (1952), are profiled in *African American Actresses*. Charlene Regester poses questions about prevailing racial politics, on-screen and off-screen identities, and black stardom and white stardom. She reveals how these women fought for their roles as well as what they compromised (or didn't compromise). Regester repositions these actresses to highlight their contributions to cinema in the first half of the 20th century, taking an informed theoretical, historical, and critical approach.

Jackie Robinson in Quotes Danny Peary, 2016-04-19 A Fresh Look at an Inspiring Historical Figure *Jackie Robinson in Quotes* tells the life story of arguably the most important baseball player in history with over 400 pages of quotations by and about him. Featured are quotes by Robinson, his widow Rachel Robinson, other family members, friends, teammates, coaches, members of the media, and many more. Danny Peary has skillfully curated the best quotes to shed new light on the man behind number 42, who famously became the first black Major League Baseball player in 1947. The quotes speak for themselves, following Robinson through his childhood to his days as a young multi-talented athlete; his famous first meeting with Branch Rickey and signing with the Dodgers; then his exciting Hall-of-Fame career playing for the Brooklyn Dodgers. Read in his own words how he had to face racism and abuse with stoic silence; and how later the true Robinson emerged—a ballplayer and political activist who refused to stay silent, and who for his whole life remained unswerving in his expectation that all Americans be treated equally, no matter their color. *Jackie Robinson in Quotes* is a behind-the-headlines narrative about the making and life of a hero. It gives a first-hand account of Jackie Robinson's baseball stardom, his friendships and rivalries, the people he loved and who loved him, the issues that troubled him, and how he took on all challenges to change the face of America's favorite pastime, the country itself, and, thus, history forever.

Color and Culture Ross Posnock, 2009-07-01 The coining of the term “intellectuals” in 1898 coincided with W. E. B. Du Bois's effort to disseminate values and ideals unbounded by the color line. Du Bois's ideal of a “higher and broader and more varied human culture” is at the heart of a cosmopolitan tradition that *Color and Culture* identifies as a missing chapter in American literary and cultural history. The book offers a much needed and startlingly new historical perspective on “black intellectuals” as a social category, ranging over a century—from Frederick Douglass to Patricia Williams, from Du Bois, Pauline Hopkins, and Charles Chesnutt to Nella Larsen, Zora Neale Hurston, and Alain Locke, from Ralph Ellison and James

Baldwin to Samuel Delany and Adrienne Kennedy. These writers challenge two durable assumptions: that high culture is “white culture” and that racial uplift is the sole concern of the black intellectual. The remarkable tradition that this book recaptures, culminating in a cosmopolitan disregard for demands for racial “authenticity” and group solidarity, is strikingly at odds with the identity politics and multicultural movements of our day. In the Du Boisian tradition Ross Posnock identifies a universalism inseparable from the particular and open to ethnicity—an approach with the power to take us beyond the provincialism of postmodern tribalism.

All the Things You Are David Evanier, 2011-07-05 The first complete biography of singing legend Tony Bennett Among America's greatest entertainers such as Frank Sinatra, Judy Garland, Ray Charles, and Sammy Davis Jr., Tony Bennett alone is still here and at the top of his game. For the first time, *All the Things You Are* tells the incredible story of Bennett's life and sixty-year career, from his impoverished New York City childhood through his first chart-topping hits, from liberating a concentration camp to his civil rights struggles, from his devastating personal and career battles and addiction in the 1970's to his stunning comeback and emergence as a musical statesman, America's troubadour, role model and mentor, and unmatched interpreter of the American songbook. Takes a candid, unvarnished look at the amazing life of one of America's most enduring musical icons Based on dozens of author interviews with Bennett's family members, agents, musicians, composers and managers, and experts on the last fifty years of popular music Filled with stories involving leading figures and entertainers of the twentieth-century, including Cary Grant, Frank Sinatra, Duke Ellington, Count Basie, Fiorello LaGuardia, Martin Luther King, Jr., Ray Charles, Dean Martin, Billie Holliday, and more Whether you've been a Tony Bennett fan for decades or are just discovering him, this book will deepen your understanding of this hugely gifted entertainer and his music.

Quote-A-Quote Michael E. Ruge, 2005 A little book of inspiring quotations about health, wealth and happiness-big enough to make a difference, yet small enough to tuck in your pocket. The book offers sage advice and original insights from writers, thinkers, stars and leaders including: Martha Washington, Ralph Waldo Emerson, Billy Graham, Picasso and Dr. Seuss. *Quote-A-Quote* will rekindle a positive flow of vitality and will transform the way you experience life.

Mama Is Still Here! Norris Lee Roberts Jr. Ed.D., 2013-03-15 *Mama Is Still Here!* Is a true story of an educated and accomplished African-American woman who was raised in the state of Mississippi between the 1940's and 1960's. Daisy: a wife, mother, and everyone's favorite sister, aunt, and friend, is admired for her swagger and confidence. But she finds her life spiraling out of control because of impaired memory lapses due to Alzheimer's disease. The devastating diagnosis crushed Daisy and her husband's world, and the world of their adult children. Initially, the way each family member connected to her was at some level of denial and/or anger. The author, Daisy's son, shares their story and his personal grief. The author also shares his observations and the memory of his mother before and after Alzheimer's diagnosis. The scriptures and prayers at the end of the chapters are a very nice touch, and the epigraphs are very successful at conveying the tone of

each chapter. SeniorAdvisor.com, the nation's largest reviews and ratings source, helps millions of consumers every year find the best resources and senior care for their loved ones. Professional assistance for caregivers and families experiencing the daily ups and downs of Alzheimer's disease is being provided - free of charge - to the readers of Mama Is Still Here.

How It Feels to Be Free Ruth Feldstein, 2013-11-26 Winner of the Benjamin L. Hooks National Book Award Winner of the Michael Nelson Prize of the International Association for Media and History In 1964, Nina Simone sat at a piano in New York's Carnegie Hall to play what she called a show tune. Then she began to sing: Alabama's got me so upset/Tennessee made me lose my rest/And everybody knows about Mississippi Goddam! Simone, and her song, became icons of the civil rights movement. But her confrontational style was not the only path taken by black women entertainers. In *How It Feels to Be Free*, Ruth Feldstein examines celebrated black women performers, illuminating the risks they took, their roles at home and abroad, and the ways that they raised the issue of gender amid their demands for black liberation. Feldstein focuses on six women who made names for themselves in the music, film, and television industries: Simone, Lena Horne, Miriam Makeba, Abbey Lincoln, Diahann Carroll, and Cicely Tyson. These women did not simply mirror black activism; their performances helped constitute the era's political history. Makeba connected America's struggle for civil rights to the fight against apartheid in South Africa, while Simone sparked high-profile controversy with her incendiary lyrics. Yet Feldstein finds nuance in their careers. In 1968, Hollywood cast the outspoken Lincoln as a maid to a white family in *For Love of Ivy*, adding a layer of complication to the film. That same year, Diahann Carroll took on the starring role in the television series *Julia*. Was *Julia* a landmark for casting a black woman or for treating her race as unimportant? The answer is not clear-cut. Yet audiences gave broader meaning to what sometimes seemed to be apolitical performances. *How It Feels to Be Free* demonstrates that entertainment was not always just entertainment and that *We Shall Overcome* was not the only soundtrack to the civil rights movement. By putting black women performances at center stage, Feldstein sheds light on the meanings of black womanhood in a revolutionary time.

On the Edge of Greatness Heidi Korte, 2023-03-17 I want to give away to you in this book . . . the ability to see and recognize every obstacle in front of your artistic path as something that can be knocked down and moved aside. If you are willing to put effort in, you can win. If you don't quit, you win. Heidi Korte spent years holding back as a singer because of toxic mindsets. Her self-esteem was rooted in having perfect performances and receiving top marks in singing competitions. Seeing the same mental obstacles blocking the artistic journeys of an overwhelming number of her students, she began working with them, helping them avoid the common pitfalls that most young creatives experience but so few talk about. In *On the Edge of Greatness*, Heidi shares the secrets to becoming an authentic creator, along with wisdom and real-life stories from her students and professional creatives, to help identify lie-based thinking and change false belief systems so the reader can learn to move past negativity and be free to create with ease and joy. Each chapter delves into a mental obstacle that

hinders young creatives, including: • fear • comparison • rejection • perfectionism • time management • avoidance • negative feedback • embarrassment • anxiety • arrogance and self-sufficiency • creative blocks • failure • motivation • self-doubt • schedule overload • self-discipline • social media and steps to practically overcome them. Also included are actions to take, meditations, questions to work through, and space for personal reflection and note-taking. On the Edge of Greatness is designed to inspire young creatives to move beyond their self-imposed limitations and turn creative dreams into realities.

Racist & Sexist Quotations Robert Fikes,1992

Beneath the Surface Lynn M. Thomas,2020-01-10 For more than a century, skin lighteners have been a ubiquitous feature of global popular culture—embraced by consumers even as they were fiercely opposed by medical professionals, consumer health advocates, and antiracist thinkers and activists. In *Beneath the Surface*, Lynn M. Thomas constructs a transnational history of skin lighteners in South Africa and beyond. Analyzing a wide range of archival, popular culture, and oral history sources, Thomas traces the changing meanings of skin color from precolonial times to the postcolonial present. From indigenous skin-brightening practices and the rapid spread of lighteners in South African consumer culture during the 1940s and 1950s to the growth of a billion-dollar global lightener industry, Thomas shows how the use of skin lighteners and experiences of skin color have been shaped by slavery, colonialism, and segregation as well as by consumer capitalism, visual media, notions of beauty, and protest politics. In teasing out lighteners’ layered history, Thomas theorizes skin as a site for antiracist struggle and lighteners as a technology of visibility that both challenges and entrenches racial and gender hierarchies.

Shine Bright Danyel Smith,2023-02-14 American pop music is arguably this country’s greatest cultural contribution to the world, and its singular voice and virtuosity were created by a shining thread of Black women geniuses stretching back to the country’s founding. This is their surprising, heartbreaking, soaring story—from “one of the generation’s greatest, most insightful, most nuanced writers in pop culture” (Shea Serrano) “Sparkling . . . the overdue singing of a Black girl’s song, with perfect pitch . . . delicious to read.”—Oprah Daily ONE OF THE BEST BOOKS OF THE YEAR: San Francisco Chronicle, NPR, The Root, Variety, Esquire, The Guardian, Newsweek, Pitchfork, She Reads, Publishers Weekly SHORTLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD A weave of biography, criticism, and memoir, *Shine Bright* is Danyel Smith’s intimate history of Black women’s music as the foundational story of American pop. Smith has been writing this history for more than five years. But as a music fan, and then as an essayist, editor (*Vibe*, *Billboard*), and podcast host (*Black Girl Songbook*), she has been living this history since she was a latchkey kid listening to “Midnight Train to Georgia” on the family stereo. Smith’s detailed narrative begins with Phillis Wheatley, an enslaved woman who sang her poems, and continues through the stories of Mahalia Jackson, Dionne Warwick, Aretha Franklin, Gladys Knight, and Mariah Carey, as well as the under-considered careers of Marilyn McCoo, Deniece Williams, and Jody Watley. *Shine Bright* is an overdue paean

to musical masters whose true stories and genius have been hidden in plain sight—and the book Danyel Smith was born to write.

No Ways Tired: The Journey for Professionals of Color in Student Affairs Monica Galloway Burke, U. Monique Robinson, 2019-08-01 Even though diversity is currently conveyed as a ubiquitous principle within institutions of higher education, professionals of color still face issues such as discrimination, the glass ceiling, lack of mentoring, and limited access to career networks. Unfortunately, an open channel does not exist for professionals of color to express their frustrations and genuine concerns. The narratives in *No Ways Tired* present a powerful voice about the experiences of student affairs professionals of color in higher education, including intersecting identities such as race, class, and gender. Furthermore, the narratives are nuggets of personal truth that can serve as a lens for professionals of color who wish to develop strategies to succeed as they traverse their careers in higher education. Through the sharing of their visions of success, lessons learned, and cautionary tales, the authors openly offer insights about how they have created a way to survive and thrive within higher education in spite of challenges and distractions. They also articulate a vision where student affairs professionals of color can develop fully, be authentic, use their agency, and effectively contribute. This book includes recommendations for professionals of color at all levels within higher education and ways to construct opportunities to flourish. The ultimate goal for this book is to promote discussions regarding how professionals of color can be more proactive in developing strategies that are conducive to their professional and personal success as they navigate their higher education careers.

Reviewing **Quotes By Lena Horne**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
