Blaming God R.J. Burton, 2024-01-19 Faith can be shaken by trauma. R.J. Burton knows this well. As a young teen, she experienced abuse at the hands of an older man. The trial that ensued exonerated the perpetrator while condemning the victim in the eyes of her community, sending her into a spiral of doubt in herself, in God, and in supposedly Christ-loving people. Why do some followers of Christ judge and deny their brothers and sisters? How do misrepresentations of Christianity harm victims? Why does a supposedly just society perpetuate the revictimization of abuse survivors? And what does the concept of free will have to do with any of it? These are the questions R.J. tries to answer as she reflects on her life and embarks on a journey from faith lost to faith rediscovered—a journey that will resonate with other “faithful sinners” who may be questioning their own relationships with God.

All the Sunshine That Wasn't Grey Rahul Shandilya, 2022-10-06 Three Women. Three independent stories of how broken people see love. In the Sky of a Million Stars—For an introverted city-lad like Abheer, life in her dadi maa's village, Kainat is exile. The only respite from boredom is looking at Fatima in the paddy fields from his bedside window every morning. But the poor girl is cursed, says dadi maa. Any silly superstition hurting Fatima is blasphemous to the things she makes Abheer feel. What is this curse? What shall be the fate of a friendship that blooms in its shadow? A Wistful Woman's Chronicle—At 37, the sensual, immoral Mridula pleads herself a victim of the most horrible things a woman can face, which stem from two men in her past. Maybe she would not have loved and looted hundreds of men otherwise. Or maybe not. If these two men die, her past will stop haunting her. Only then can she truly discover who she is. On this killing spree, she meets a young, lively seventeen-year-old Rishi, and she is tempted to befriend him. Is this temptation limited to looting him, or will the destruction be deeper? What is Mridula's story? What will this friendship cost Rishi? Fireflies—Adeeba is a lesbian. Why else should she have to leave her village Rohila, lose Ammi or her little sister Sabeena. If she didn't love Bhoomi, she didn't have to run her away from that nasty ritual. Sabeena didn't have to lose her leg; Bhoomi her memory. After all, no one had saved Adeeba from that. But if she is a lesbian, why is love sprouting inside her for Veer? How can she love both of them, when her body can love only one? And how differently? How far can we go to make ourselves feel loved and understood?

scale—from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar. Funny, complex, and rich with detail, the reviews chart the contradictions of contemporary humanity. Rising Strong Brené Brown, 2015-08-25 #1 NEW YORK TIMES BESTSELLER • When we deny our stories, they define us. When we own our stories, we get to write the ending. Don't miss the five-part Max docuseries Brené Brown: Atlas of the Heart! Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are, inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500 companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship, or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives. Rising strong after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR "[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite known how to articulate. . . . Brené empowers us each to be a little more courageous."—The Huffington Post

Dramatic Adventures in Rhetoric Giles Taylor, Philip Wilson, 2015-11-04 A practical, accessible and thorough guide to identifying and using rhetorical devices in drama, using examples from both classical and contemporary plays. An unprecedented reference and handbook for actors, directors, playwrights and teachers; written by practitioners for practitioners. Little has been written about how dramatists draw on rhetorical devices, and how a study of these can unlock a text for a performer or director, or indeed inspire contemporary playwrights. This book addresses in detail - yet in

straightforward terms – the many different rhetorical forms used in drama, and enables the reader to identify and analyse them. *Dramatic Adventures in Rhetoric* may be read cover to cover, or it may be dipped into; it is both an analytic tool and a reference aid for use in the classroom or rehearsal room, revealing how careful study of language is one of the best ways of accessing the richness of texts both classical and contemporary.

Unmindful Negligence Karen Gustafson,2015-11-02 *Unmindful Negligence* offers thoughtful reading for all to ponder from several perspectives. It is about America's intolerant and unjust treatment of Native American Indians, immigrants, African American Blacks, women, minorities, the disabled, LGBT community-- virtually any group experiencing discrimination today in America. Psychological studies explain how the "us vs them" behavior is a dominant force that was present from the inception of America and causative for the divisions in our present day society. These growing differences have led many observers in our society to worry we are developing a community of narcissists as many studies have suggested. On another level the book also describes how American society through political action groups and legislative laws has attempted to incrementally "right these wrongs" thoughtfully raising American awareness to live up to the concept of our country's exceptionalism. Another concept addresses transcendent themes from our earliest ancestors at Gobleki Tepe to present day of how cooperative behavior is the catalyst for extraordinary changes in human living. As a result, America may be at a tipping point where issues surrounding discrimination and lack of economic and educational opportunities can't be resolved due to a political system that is only concerned with their perception of issues and an unwillingness to compromise. Finally

there are counteractive views in the religious and political sphere that are determined to enforce their ideology that their belief system is not only best for all, but is God's way. These are self-serving tenets that cannot lead to an inclusiveness of humankind: for if these views prevail, America will just become another once upon a time democracy.

Young Adult Literature and Spirituality William Boerman-Cornell, Deborah Vriend Van Duinen, Kristine Alatheia Menonides Gritter, Xu Bian, 2022-09-28 This book offers revolutionary approaches to in-class discussions about young adult literature. It shows teachers how to think more widely than the themes of a book to consider how they might operate as prayers of lament, yearning, anger, confession, thankfulness, reconciliation, joy, obedience, pilgrimage, contemplation, and equanimity. It also offers a variety of ways for classroom discussion to consider a representative sentence or two from a young adult novel, and from that allow students to connect to linked passages in the rest of the novel. These approaches for classroom discussion are drawn from a variety of contemplative traditions, including Jewish and Christian faith traditions and include florilegium, lectio divina, PaRDeS, Ignatian Imagination, havruta, and marginalia. Drawing from a range of in-class experiences, the authors explain each approach in the context of twelve popular and critically interesting young adult novels including *The Hate U Give*, *Long Way Down*, *Speak*, *The Poet X*, *The Fault in our Stars*, *Brown Girl Dreaming*, and others. This book will transform discussions that are disconnected from the book, lacking in relevance, or missing the energy that drives good conversation into meaningful and energetic class discussions that students and teachers alike will value.

Narratives, Nerdfighters, and New Media Jennifer Burek Pierce, 2020-11-15 For decades, we've been warned that video killed the radio star, and, more recently, that social media has replaced reading. Nerdfighteria, a first-of-its-kind online literary community with nearly three million members, challenges these assumptions. It is the brainchild of brothers Hank and John Green, who provide literary themed programming on their website and YouTube channel, including video clips from John, a best-selling author most famous for his young adult book, *The Fault in Our Stars*. These clips not only give fans personal insights into his works and the writing process writ large, they also provide unique access to the author, inspiring fans to create their own fan art and make connections with one another. In the twenty-first century, reading and watching videos are related activities that allow people to engage with authors and other readers. Whether they turn to *The Fault in Our Stars* or titles by lesser-known authors, Nerdfighters are readers. Incorporating thousands of testimonials about what they read and why, Jennifer Burek Pierce not only sheds light on this particular online community, she also reveals what it tells us about the changing nature of reading in the digital age. In Nerdfighteria, we find a community who shows us that being online doesn't mean disinterest in books.

John Green Kathleen Deakin, Laura A. Brown, James Blasingame Jr., 2015-06-09 In a very short time, John Green has become an icon of young adult literature. His first novel, *Looking for Alaska* (2005) won the Michael Prinz award, *Paper Towns* (2008) received an Edgar Allan Poe award, and in 2014, *Time* magazine named him one of its 100 Most Influential People. *The Fault in Our Stars* reached number one on the *New York Times* bestseller list, and the film adaptation was a worldwide hit. *John Green: Teen Whisperer* looks at the work of a versatile author whose works have fast become must-reads for teens and adults alike. After providing a biographical sketch of the author, subsequent chapters focus on different "types" of Green's writing: radio broadcasts, blogs, vlogs, YouTube videos, and, of course, his novels, including *An Abundance of Katherines* (2006) and *Will Grayson, Will Grayson* (2010). This volume concludes with an interview of Green and a unique final chapter that considers not only the young adult view of his work, but an adult perspective as well. Based on extensive research, this book captures the diverse elements of Green and his work: predictable, but surprising; stable, yet enigmatic; aloof, but deeply caring; hip, but homespun; irreverent, but deeply spiritual. Exploring why his writing reaches both teens and adults, *John Green: Teen Whisperer* will be of interest to librarians, scholars, and the author's many fans.
