The Genesis 6 Conspiracy Gary Wayne, 2020-09-15 Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises. The Genesis 6 Conspiracy, PART II Gary Wayne, 2024-03-12 An uneasy spiritual sense has gripped many Christians; a profound sense that something is incomplete and disconnected within the body of church teaching; something elemental to our *raison d'être*.

Crushing Conceptualism in Modern Christianity Andrew Michael Denny, 2019-09-18 A heavy spirit of conceptualism

has infiltrated the modern Christian establishments. Our traditions, philosophies, theologies, etc. Everything our beliefs are built upon has been influenced by an elite world-class system. Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called “church?” More to this thing we call “Christianity?” If so, this book is what you have been waiting for. A truth movement has emerged. A remnant of modern “Ark Builders” endeavors to awaken those who are still asleep. Every day we see evidence of what the Bible describes as “spiritual wickedness in high places” (Ephesians 6:12). Those who secretly govern our world have an agenda to unite and target professing Christians. The motive is world dominance, and the method is mind control, to brainwash the mass into conforming to what is socially acceptable and politically correct. But we are not ignorant of the enemy’s strategies. This book equips its readers with information exposing this deception, as it bridges the gap between conspiracy theory and demonic activity. You are about to open the door to a world you never knew existed, a reality of which you never knew you were a part. Prepare yourself. Once you see, you will never be able to unsee this realm again.

Balancing God, Science, and Technology in the End Times Juanita Werrett, 2021-04-19 It is critical in this day of discovery and augmented scientific knowledge that we come to an accurate balance of understanding between foundational science and foundational religion. We are facing a technology that is moving at enormous speed. We need to understand the precarious status of humans as we enter and live through the future technology era that is upon us. Humanity could be negatively affected by technology either unintentionally or by design. As we move forward, ethical and moral decisions will be confronted as to how we manage AI (artificial intelligence) robots, avatars, and the huge data-gathering process associated with the tech industries being formulated at this moment. Controversy will rage, but solutions will percolate. The truth is, you and I are the product in the new global technology paradigm, and our information will feed AI, the data-eating beast. Pandora's box is open. Science and technology are leapfrogging forward at an exponential pace. There is no mechanism to stop it...except God! God's children are weighted and wired for spiritual success. True doctrines and ordinances of the Gospel of Christ fortify faith and give Christians hope in His return. Spiritual development and power comes to those who are prepared and willing to stand with Christ. The fuller blessings may be ours in spite of the underlying challenges. Perhaps it is fortunate that we live in the fullness of time and the fast-approaching premillennial era. The righteous will be saved in life or death. Some may be blessed to witness the glorious Second Coming of the Savior.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by

taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Genesis - Where It All Began! Lori Boteler, 2018-05-12 This book is a compilation of the book of Genesis from the 21st Century King James Version of the Bible and the King James Bible. I have changed the names of God according to the same version with these names in the Hebrew from the Hebrew Roots Bible. Along with my study notes from 2018 and a book I wrote back in 2007 called A Common Sense Approach to Genesis. I am also inserting sections from the Books of Jasher, Enoch and Jubilees which fill in events during the time period Genesis occurs.

Life, One Big Existential Crisis Kerry Louise Stalker, 2021-01-25 Life, One Big Existential Crisis takes the reader on an epic journey. It starts by asking 'What's the point?' then ventures down the psychological, philosophical, spiritual, cosmological, and conspiratorial rabbit hole to answer this great ontological question. In short, the spirit world is real. A spiritual battle is taking place and our souls are the prize for either the kingdom of darkness or kingdom of light. There is a dastardly cabal orchestrating our reality, using the Bible as it's playbook. We're living in the last pages of the Bible, and this great book will close with a bang. The Beast 'one world' system is on our doorstep. This book is for those who want to know the Truth and break free from the matrix. The focus is on authenticity and choosing your choice.

Shifting the Torah Paradigm Andrew Michael Denny, 2022-09-07 To some, the phrase "Biblical Veganism" is an oxymoron. The idea that a modern dietary trend could be considered biblical poses a problem. After all, several instances in the Bible depict men of God eating animal meat. How then can we take this idea seriously? In this detailed exposition, we will explore common misconceptions about veganism in efforts to sever any confusion. After all, most people who reject biblical veganism only do so out of tradition and have never investigated this matter. Rather, most allow their currently held paradigm of Torah to determine what our Creator originally imagined for humanity. While variation may exist between our definitions of "vegan," we can all agree on the primary qualification, that vegans abstain from animal meat. Shifting the Torah Paradigm (STP) reinforces the biblical principle that humanity was originally created to consume a garden diet. Among the Torah community, there are some who insist that we must consume the flesh of certain animals to properly obey the commands, namely our instructions for Passover. At the same time, those who abstain from animal flesh contend otherwise,

that our Creator never intended for humanity to kill and eat from the animal kingdom, whether it is deemed “clean” or “unclean” by Mosaic law. STP maintains that meat eaters have neglected the context by which the entire sacrificial system was instituted. Moreover, the purpose of this book is to explore this unseen storyline by investigating how sacrifice entered the picture and to understand why Yeshua neither taught nor observed this aspect of Torah.

Compassion beyond Understanding Mark Tomasello, 2022-11-10 This book is for anyone who is lost, who is marginalized or told they mean nothing, for all who can't seem to break free from their mistakes or who have been hurt by others, for anyone who would contemplate ending it all. It's for the backslider and the believer or the unbeliever. It is for the underdogs and those who have fallen on hard times. It is a story about Jesus and his compassion beyond our understanding and his ability to bring change and show his love in a person's life. It will shed light on the truth of his love and his ability to forgive anything. He will teach you that all your mistakes are assets for others. He will come when no one else will. He will walk you through this life and be an ever-present help in a time of need. He will allow you to make mistakes and not judge you. He will cause you to reflect and learn from them. He is your biggest advocate. He believes in you when you don't. He knows you better than anyone or yourself. He loves you more than anyone on the planet, and he is just waiting on you to call for help. He really wants everyone to know of his compassion, and he has done everything he could to prove it to you. He loves to see you grow in faith. But he loves when you will never give up because he never will give up on you. He has a perfect plan for your life even if you yourself can't see it. He hurts to see you hurt. He came for the lost and would say to the lost, I am here for you. He wants to tell you who you really are. He wants only to teach you to love but to love yourself as he loves you. The love he has is like you are the only one on earth. I invite you to experience his compassion beyond your understanding, to have an adventure with him like nothing else in existence, to know him and understand why you were made to fellowship with him forever. His desire is for you to be where he is forever. Let his love cast out all fear you have. He knows you need him and wants you to not be ashamed to come to him. The compassion he has is

Paul and the Restoration of Humanity in Light of Ancient Jewish Traditions Aaron Sherwood, 2012-10-12 In Paul and The Restoration of Humanity in Light of Ancient Jewish Traditions, Aaron Sherwood questions the assumption of universalism in Pauline thought, and finds instead that relevant Pauline traditions depict a partly restricted and particularly Israelite restoration of humanity. This important Jewish component of Paul's thought remains largely unrecognized, but Pauline and other ancient Jewish traditions consistently present Israel and non-Israelites' uniting in their worship of Yhwh as the restoration of both Israel and humanity. Aaron Sherwood demonstrates in Pauline traditions the same deployment of Israel-nations unification as in biblical and post-biblical traditions. This suggests that rather than secondarily finding space for Gentile justification, the restoration of humanity plays a generative role in Paul's theology, mission, and apostolic self-identity.

Beyond Science Fiction! Jim Wilhelmsen, 2009 Jim has had a lifelong interest in UFOs since he was a child in the late 50's. This led to his current position as a Religious Research specialist for the Mutual UFO Network since 1996. He is also a member of the alumni at Central Bible College and was ordained by the Independent Assemblies of God in 1980. An avid reader, Jim is experienced and comfortable with studying the Bible in its original languages and spending hours in research as a hobby. Originally from Detroit Michigan, Jim founded and served in one of the nation's first evangelical Christian Motorcycle clubs in the early 70's which appeared on the 700 club. Jim served as Pastor in the inner city of Detroit working within the counter cultures associated with drugs and gangs. He has had almost 30 years experience working in deliverance ministries engaged in spiritual warfare that have enabled many to be set free from these bondages. Taking this experience with him into the investigation of UFOs and Alien abductions, Jim has become actively involved within the UFO community. With two other colleagues, The Alien Abduction Crises Centers of America was founded. This is a nation-wide network to provide Biblical based support and help for abductees after receiving terminations of their abduction experiences from the Biblical based counseling they provide as a free service. Jim has also traveled across the US providing Biblical based information at UFO conventions which led to setting up a book store/ museum in Roswell NM where he lived for four years. This book is the result of over ten years intensive first hand investigation and study of the subject and the people involved. It promises to be one of the most comprehensive scripturally backed books written so far, that weaves many different topics into one story of Paradise lost and found. Not since the great flood of Noah has there been such an elaborate deception put upon mankind. This book exposes it all for your consideration. Unlike many sensational books that leave you left in fear and hopelessness, this book will leave you with hope and answers for the fearful things described and soon to fall upon an unsuspecting planet.

1 Enoch: Chapters 1-36, 81-108 George W. E. Nickelsburg, 2001

Those Terrible First Hours Robert Carr, 2017-05-19 Everyone knows the characters of the cartoons Scooby-Doo, Where Are You? and Johnny Quest. In both of these cartoons, the characters did that which was right, without expecting anything in return-a far cry from what we have today. Even though we have many working for the common people of the nation, we have far too many who work for themselves. Even though I have the hope in Christ Jesus, I think that the media has done a good job showing that Donald Trump has an ego the size of Texas. But I feel that they do not know what to do with Hillary Rodham Clinton and therefore do not know how to criticize her. Furthermore, I don't think that it matters who gets in because I think they will be like the second Herbert Hoover.

Antediluvian Conquest of Our Planet by Aliens in Flying Saucers Charles L. Hammond, 2010-12 Read about the most fantastic legend ever told a certain battalion of alien creatures once visited earth in the remote past, who after metamorphosing their bodies into human shape started mingling with mankind and begun generic fertilization experiments

between themselves humans and animals, which resulted in producing a plethora of legendary giants and mythical monsters who terrorised humanity. Later they decided to destroy them using super weapons and flying machines which resulted in triggering the Genesis deluge, thus forcing them to their original abode. Who were these alien creatures? Where did they come from? What was the purpose of their visit? Will they someday return? Are some of them still amongst us?

Synergenesis Saga Shayne Liess, 2010-07-30 We patch up the mistakes of our fathers, and mankind lives another day to hate us for it. You'll get used to it.—The Arsenal. War is all they know. Their home world is shattered into dust, and they find themselves accused of the crime. A strange new captive too closely resembles the man who drove their predecessors into ruin, and jealousy and deceit threaten to tear the ship apart from the inside out. Even the galaxy's most hardened renegades would have trouble, tackling what lies at stake, but for the Genesis 6 Mercenary Corps, its business as usual. With the power of Element at their fingertips, the Genesis 6 possesses powers both supernatural and incredible, but will sheer firepower be enough to free them from their paths, and protect them from the uncertain future? Or will they be destined to obscurity, with the truth they defend vanishing in a fade to white? The cycle begins here—whether it stands to be broken is up to them.

Between Heaven and Earth Fred Van Dyke, 2010-07-01 The first comprehensive survey of Christian environmental ethics and activism offers a Christian understanding of environmental conservation, protection, and stewardship that speaks directly to ongoing environmental issues. There are many books on Christian environmental ethics, but none provides a clear and thorough analysis of the history of the church's understanding of and practices toward the care of creation. In addition to filling this important void, *Between Heaven and Earth: Christian Perspectives on Environmental Protection* is also unique in at least two ways. First, it frames Christian responses to ethical questions as they are understood by modern conservation ethicists. Second, it addresses issues of conservation management and policy as they really exist. This captivating volume begins by framing the complex interaction between ethics, environment, and faith and the relation of that interaction to questions of environmental ethics. Subsequent chapters illuminate a biblical understanding of the human relationship to nature and the church's teachings and practices regarding that relationship, illustrated through the lives of scholars and saints. The book concludes with an examination of the ways in which Christian practice and teaching can shape environmental policy today and the ways in which partnerships can be built between the church and the environmental community.

The Watchers in Jewish and Christian Traditions Angela Kim Harkins,Kelley Coblenz Bautch,John C. Endres,2014 At the origin of the Watchers tradition is the single enigmatic reference in Genesis 6 to the sons of God who had intercourse with human women, producing a race of giants upon the earth. That verse sparked a wealth of cosmological and theological speculation in early Judaism. Here leading scholars explore the contours of the Watchers traditions through history, tracing their development through the Enoch literature, Jubilees, and other early Jewish and Christian writings. This volume provides a lucid survey of current knowledge and interpretation of one of the most intriguing theological motifs of the Second Temple period.

Our Ancient Ancestors' Lost History Reconstructed William Lucas,2018-12-17 Most of the researchers, archaeologists, anthropologists, and many more who have appeared on the History Channel's Ancient Aliens have admitted their belief that extraterrestrials created humanity. And those creators were none other than the Anunnaki (those who came from heaven) of the Sumerians. Why has no one realized the Anunnaki needed someone to create bodies for them? It is obvious they couldn't use the bodies they used on higher worlds on our earth. People don't realize the Sumerians were just as much in the dark as people of today are. The Anunnaki came to our planet over two hundred thousand years before the Sumerians' time, and those Anunnaki are the same beings that the Western world's Bible calls sons of God, in Genesis 6:4, where it's stated that the sons of God gave children to the daughters of men. The Urantia Book claims that surgeons from a higher universe came to our planet and took genes from the most advanced humans and, with bioengineering, created bodies for those sons of God in Genesis 6:4. This is where all the confusion originates. Instead of the Anunnaki creating the humans, humans' bodies were created for the Anunnaki. They came to help civilize humanity. There were one hundred of these sons of God that came—fifty men and fifty women. The Bible often calls both men and women sons of God; there's no distinction, Hebrew 12:6-7. This happened during the time of Lucifer's rebellion. Sixty of the sons of God rebelled along with Lucifer; they are the ones that had children by humans with bodies made of human genes. In the book of Enoch, they are referred to as Watchers and fallen angels, emphasizing that they were from higher worlds or heaven.

I Know Who These People Were William Lucas,2015-10-23 Elongated skulls have been discovered all over the world. The Urantia Book states Adam and Eves descendants had elongated heads, and so did the Nodites, people of the land of Nod, descendants of the Nephilim and they were the sons of God of Genesis 6:4 where sons of God had children by the daughters of men. Adam and Eve were not the first two people on earth, see Genesis 4:8-17. Forty elongated skulls some with red hair still intact was found in Lovelock, Nevada inside a cave and they were believe to be seven to eight feet tall; also 3,000 years old elongated skulls with red hair still intact were discovered in Nazca Peru-more proof that Adam and Eves descendants

traveled all over the world-in an effort to spread their genes. When geneticist analyzed the genes of the elongated skulls, they found the genes contain genetic material unknown in any human, primate, or animal. Adam and Eve came to our planet as biological up-lifters. Bodies were made for them when they arrived on our planet by beings from a higher universe called Avalon (a universe neighbor to our universe). These beings were called Avalon surgeons. They took plasma from the more advanced tribes of our planet and with some type of genetic engineering created bodies made of the dust of the ground (chemical of the earth) that were much more advanced than the humans of that time. Adam and Eve incarnated into those bodies and the spirit of God breathed the breath of life into those forms and they became living beings. Our ancient ancestors didnt know about genetic engineering and such, so they said God did it. To them those advanced beings were gods. People of our planet need to wake-up and stop thinking about material things all the time and begin thinking about the spiritual world, which we linger far behind in our understanding.
