Meaning-Making in the Contemporary Congregational Song Genre Daniel Thornton, 2020-10-06 This book analyses the most sung contemporary congregational songs (CCS) as a global music genre. Utilising a three-part music semiology, this research engages with producers, musical texts, and audiences/congregations to better understand contemporary worship for the modern church and individual Christians. Christian Copyright Licensing International data plays a key role in identifying the most sung CCS, while YouTube mediations of these songs and their associated data provide the primary texts for analysis. Producers and the production milieu are explored through interviews with some of the highest profile worship leaders/songwriters including Ben Fielding, Darlene Zschech, Matt Redman, and Tim Hughes, as well as other music industry veterans. Finally, National Church Life Survey data and a specialized survey provide insight into individual Christians' engagement with CCS. Daniel Thornton shows how these perspectives taken together provide unique insight into the current global CCS genre, and into its possible futures.

Finding Meaning through the Valley D. Geovanny Godoy, 2020-01-30 Everyone wonders as to the meaning of pain and suffering. When we walk through these valley experiences, sentiments of loneliness and hopelessness undress our hearts of meaning and reason, as well as with time, pain and suffering do not discriminate against race, gender, or creed. Yet there exists the possibility wherein happiness, meaning, and hope can converge in the most desolate of places. If you yearn for meaning and cannot see through your pain, allow the author to share a compelling and riveting journey in discovering the essence of what you are really made of. The author writes from a unique perspective, as he continues to walk through his own valley experience. He has lived the majority of his life in this valley without something that most of us take for granted freedom.

Keeping My Mind Adrian Peel, 2016-03-24 This book is intended for anyone who has questions about their life experience that are causing them inner dissatisfaction. Spiritual people sometimes face this because they can't make sense of apparent inconsistencies between what they expect from their faith and what they experience in the practical world. Secular people may face a similar type of inner dissatisfaction because external success fails to bring them the type of joy they expect. The writing method uses auto-ethnography a reflection on Adrian's personal experience as he connects his story to wider understandings of the way life works. While his Christian worldview is central to the book, its emphasis is on the process. So,

readers are encouraged to evaluate the process and models presented, but to insert your own life experience against them for the best benefit.

**The Good, the True, the Beautiful** Mark J. Boone, Rose M. Cothren, Kevin C. Neece, Jaclyn S. Parrish, 2021-02-19 Dr. David K. Naugle is widely regarded as a leading thinker in the area of Christian worldview formation. As Distinguished University Professor Emeritus at Dallas Baptist University, he has drawn accolades and admiration. This collection in his honor demonstrates that intellectual pursuits are inherently spiritual, that no area of life is separate from the lordship of Christ, and that true Christian faith is in fact the deep fulfillment of the human experience. On topics ranging from linguistics to gardening and everything in between, these essays represent the depth and breadth of the idea that all goodness is God's goodness, all truth is God's truth, and all beauty is God's beauty.

Ellipses Dave Guerrero, 2021-12-16 Ellipses is a literary expression that represents an implied ending. In print, it looks like this: ... In life, on the other hand, when we find ourselves smack dab in the middle of one these implied endings, we find ourselves waiting. It's a pause far longer than a comma and can occur out of nowhere, leaving us asking, What just happened? and What am I supposed to do now? What do we do when we find ourselves in the middle of an ellipsis? Author Dave Guerrero offers us a glimpse of what to do when we face one of these ellipses in our life. Dave points out that the author and perfecter of our faith has woven these moments into our life, and it's what we do when we find ourselves here in the ellipsis that makes all the difference. Using memoirs from his own life, Dave takes his readers through his God story to show how the ellipsis is a crucial junction where our so far, so God meets the best is yet to come. With these memoirs, Dave shows how we must find hope for the unknown and for the darkness and often pain-filled moments of the ellipsis to look forward and proclaim the promises of God who smiles at us and says, The best is yet to come. Dave's own journey was filled with depression, cutting, cancer, eating disorders, and derailed dreams. But David shows how scripture is clear that God is always in control. As you travel through the ellipsis that he has, his prayer is that you will find hope in looking back at your God story and see the all-loving author and perfecter of your faith smiling and saying, You ain't seen nothing yet.

**The Power of Love: my victory over breast cancer** Karla Icaza, 2017-02-02 When I was diagnosed with breast cancer, almost immediately, I thought I should write a book about my experience. I began to write a few days after my surgery, when I was at home recovering. It is a book written while I battled the disease. Since I wrote it while things were happening, on its pages I poured my heart. In it are my weaknesses and my strengths; Is a book that provokes many emotions, to cry, to laugh, to reflect. I included photos that illustrate many of the things I talk about. There are testimonies of my husband, my children, and other relatives where they reflect the way they handled the battle. It is a book that conveys the love of God and the love of family and friends who accompanied me throughout my process. A book inspired by the Holy Spirit; I could not have written it without His help. It is my desire that every person who reads it receives hope, peace, love and faith to face any difficult circumstances and experience God's embrace.

**Counterfeit Kingdom** Holly Pivec, R. Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church? It depends on who you ask. The New Apostolic Reformation (NAR) is a popular and fast-growing new movement of Christians who emphasize signs and wonders, and teach that God is giving new revelation through new apostles and prophets. But is this biblical Christianity? In Counterfeit Kingdom, apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR's key tenets distort the gospel, twist the Scriptures, are influenced by New Age practices, and lead faithful Christians to shipwreck their faith. They also offer practical suggestions for readers who are already influenced by the NAR, curious about it, or concerned about loved ones who have been swept up in the movement. What used to be on the fringes of the church is now mainstream, and many are being influenced by it unaware. This book is a wake-up call.

**Chance Happenings of a Lifetime** Stephenie Sloan Soester, 2025-03-11 These are not your average chance happenings or synchronicities. When I realized what was placed in my hands, I was in utter shock! I had prayed for words and woke up in a real-life Bruce Almighty and Evan Almighty movie. Words kept appearing mostly in the form of license plates pulling in front of me with the answers to my thoughts just after the thoughts occurred. I had heard the universe communicates. However, I never expected to understand that statement to this extent. Various friends' comments: Stephenie, if you were just telling me this, I would think you were crazy, but here you stand with the pictures as proof! I believe after everything you have shown me, it is true. I just never expected it to be that good. This is huge. You need to get this somewhere! Stephenie, God puts those thoughts in your head before you see the plates. Write the book! With the current events today, a book like this could be a top seller, Stephenie. Thought Plate For my bucket list, I want to know how big God is. BIG Okay, if this is all real, just put God first! 1ST Stephenie, there is only one God. ONE Where is this all coming from? God, right? DEVINE I said stop judging each other. We are all children of God. LAMBSON After dropping a book titled Jesus Calling to a Friend. THRUJC It's important for the future. Everyone believes in him. FUTURE Man, this is some big energy! BIGENERGY This is like mental telepathy! MENTAL How can this even be real? REALTWN When you are on the fence about the reality of God

and Jesus and then this happens, you choose your side of the fence! Quote shared from the producers of God's Not Dead: He's not afraid of your uncertainty. He can use it! Wow! Did he ever use my uncertainty to prove through happenings and signs. His fingerprints were truly left everywhere in this adventure. This book is for the explorer in all of us and a true exploration of a miracle. Some philosophers believed synchronicities could someday prove the existence of God. Welcome to their theories coming to life, complete with an Infinity Map drawn from the cities of the synchronicities and occurrences happening. This map tells the most famous story ever told, proving Jesus's life story! In an odds of that happening world, the odds were defied repeatedly.

Heavenly Open Door Jayne Bowman, LPC, LADC, Mary Claire Holloway, 2024-11-04 Congratulations! You are about to peek into the lives where God moved supernaturally to bring healing to broken people in a sinful world. Life is full of trouble. In some cases, the trials are manageable. Other times, life throws a curveball where it seems you are all alone and nothing makes sense. Such is the life for a lot of people all around the world in the year 2023. How can a person make sense of the scriptures when evil is magnified throughout the world? The world is being told evil is good and good is evil. This message is echoed throughout society. And then there are the forgotten--those who have endured unspeakable traumas at the hands of the powerful and rich. Broken homes and destroyed lives are perpetrated on the masses by the elite few. God always has the answer!

Crafted with biblical wisdom, professional insights, and personal stories, *Courageous* explores the core concerns that plague every woman's relationship with God, self, and others. Terra Mattson invites women and girls to join a global movement of *Courageous Girls* as they discover an empowered sense of purpose and an identity rooted in God's grace so they can love and be loved like never before.

**Restless** David J. Gillard, 2022-01-06 Why do many popular songs positively reference God if our culture is widely viewed as secular? Why is it a challenge to tell the Christian story when many say they are spiritual and believe in God? Why do we draw so much meaning from the popular songs we listen to? And might a deeper understanding of popular-music culture help us to explore the bigger stories we listen to throughout our lives, such as the Christian story? Primarily using Zygmunt Bauman's understanding of liquid modernity we look at the social forces that shape Western society and consider why, while

many are looking for authentic, ontologically based stories to understand their life experiences, historic providers of the big stories that shape our lives, such as the church, favor a different, epistemological way of telling them. How do these different approaches to storytelling affect their reception and what insight might we draw from that? Whilst this book is written primarily with those in Christian ministry in mind, it will be of interest, too, to those who use music to explore life experiences through their work, who are interested in the social forces that shape society, or who simply enjoy listening to popular music.

*Optimize Your Life* Robert Hutcherson, 2025-07-13 In our fast-paced lives, time is a precious commodity, and optimizing every moment becomes paramount. However, amidst the daily hustle, we often get entangled in mundane tasks that drain our energy and steer us away from our true priorities. *Optimize Your Life* delves into the art of maximizing personal effectiveness, efficiency, and fulfillment in every aspect of life. A fundamental strategy advocated in the book is to evaluate the various categories that hold significance to us and focus on improving those areas. By assessing our current state in these categories, we gain clarity on where we stand and chart a course towards a more fulfilling and joyful life. Continuous improvement is at the core of the optimization process. Regularly assessing progress, analyzing outcomes, and making necessary adjustments pave the way for achieving our goals effectively. Amidst the pursuit of optimization, the book emphasizes the importance of enjoying the journey. Life's richness isn't solely defined by reaching milestones but also by cherishing moments with loved ones, embracing new experiences, and being fully present in the present. *Optimize Your Life* presents a holistic approach to living purposefully and making the most of every opportunity. Robert Hutcherson, the passionate advocate of this methodology, believes in its universal applicability to enhance anyone's life, irrespective of their circumstances or aspirations. The book guides individuals in organizing, prioritizing, and optimizing their goals and desires, ultimately leading to a more fulfilling and satisfying life. Remember, you only have one life—make every moment count!

*Glimpses of the New Creation* W. David O. Taylor, Jeremy Begbie, 2019-09-03 How do the arts in worship form individuals and communities? Every choice of art in worship opens up and closes down possibilities for the formation of our humanity. Every practice of music, every decision about language, every use of our bodies, every approach to visual media or church buildings forms our desires, shapes our imaginations, habituates our emotional instincts, and reconfigures our identity as Christians in contextually meaningful ways, generating thereby a sense of the triune God and of our place in the world. *Glimpses of the New Creation* argues that the arts form us in worship by bringing us into intentional and intensive participation in the aesthetic aspect of our humanity—that is, our physical, emotional, imaginative, and metaphorical

capacities. In so doing they invite the people of God to be conformed to Christ and to participate in the praise of Christ and in the praise of creation, which by the Spirit's power raises its peculiar voice to the Father in heaven, for the sake of the world that God so loves.

**T&T Clark Handbook of Theology and the Arts** Stephen M. Garrett,Imogen Adkins,2025-04-24 This volume presents the theology-arts conversation from a distinctly Christian perspective, as a witness of the Gospel of Christ to the world. A widespread interest in the historical, socio-cultural and political embeddedness of theology and the arts permeates it. This theme of embeddedness tracks through several overarching and interlocking concerns: the relationship between form and content (in both art and theology), the intensification of the metaphysical and the theological (contra materialist and positivist reductionisms), the expansion of the epistemological possibilities of the theology-art conversation, and a robust understanding of the world as the theatre of God's glory. Several chapters have been co-written by theologians and artists as part of demonstrating the kind of conversation that this book commends. A thorough-going commitment to Scripture is also

woven into the many different habits of thought represented in this volume. Part I surveys different approaches to the theology-arts conversation. Part II focuses on how particular art forms bring theological issues to the surface and how theological and denominational traditions shape the making and receiving of the arts. Part III delves into key topics in the current theology-arts scene and asks how artistic and theological performance can both speak to theological and artistic knowing, and help to celebrate and interrogate embodied, lived reality.

**Mediating Piety** Francis Khek Gee Lim, 2009-09-29 A timely and groundbreaking work, here is a comprehensive analysis of the interactions between religion and technology in Asia today. How does the use of technology affect people's experience of spirituality and the formation of religious identity and community? How do developments in the latest technological breakthroughs such as the Internet influence the ways people constitute themselves as social beings, and how does it shape their experience of the sacred and the divine? Conversely, to what extent, and in what ways do religious beliefs and practices shape people's attitude towards new technology and its deployment? Combining wide-ranging empirical investigations and sophisticated theoretical reflections, this book demonstrates how the technological and the religious often intersect with the political, thereby elucidating the complex relationships between spirituality, social and identity formation, sovereignty and power.
