Basic Handbook of Police Supervision: A Practical Guide for Law Enforcement Supervisors Gerald W. Garner, 2022-02-23 This updated handbook provides reliable guidance on what to do next and offers practical, no-frills advice about what to do to counter the day-to-day challenges and outright calamities that make up the first-line leader's work life. Perhaps even more important, it offers time-proven recommendations on how to prevent a bothersome situation from escalating into crisis proportions in the first place. It will prove equally useful to the veteran, novice or future law enforcement supervisor. Its sound advice will help him retain his emotional as well as physical and moral health in a real-world environment that seems to become more challenging every day. It will help him to lead and bring his people to share his practices and beliefs in doing a very critical job the right way. Just as it should be, the handbook is short on theory and long on "how to" advice. It is literally a resource that the supervisor can tuck into an equipment bag or otherwise keep close at hand. It likewise will aid him in carrying out the very practical tasks of communicating effectively; evaluating employee performance, correcting inappropriate behavior and helping his officers survive both on the street and in the police organization. A new chapter has been added on the topic of how to lead successfully during the current, very challenging environment for law enforcement, entitled "How to Lead During Challenging Times." Summary boxes have been interspersed throughout the text that emphasize important points for police leaders to remember. Meanwhile, the handbook will assist the law enforcement leader in working well with his own boss and planning his own career. There is no job description in the world quite like that of first-line law enforcement boss. The job is as unique as it is difficult and vital to the success of any successful police organization. This book will help them become even better at their very important job.

Limping with God Chad Bird, 2022-07-19 When we look to the Bible for role models in our daily discipleship, we tend to think of Noah's obedience and David's bravery. *Limping With God: Jacob and the Old Testament Guide to Messy Discipleship* posits that we can also look to Jacob. Jacob seems to be anything but a model disciple, though we can learn a lot from his journey. He's a trickster, liar, and selfishly ambitious man who fathers children with four women and leads a dysfunctional family rife with jealousy and backstabbing. But Jacob is also Israel, the namesake of the Old Testament community of God,

chosen and blessed. As such, this sinner-saint, who limps along with the Lord, burdened by weakness and beset by problems, is the mirror image of all of us who follow Jesus. In Jacob's life we see our lives, our struggles, our failures, and most especially the God who loves us and chooses us as his own. As we explore his bio, from his wrangling in the womb with Esau to his death as an old man in Egypt, we will learn more about ourselves and the God who is with us and for us in Jesus the Messiah. From the author: I have entitled this book *Limping With God* instead of *Walking With God* or *Running With God*, not because there would be anything wrong with those metaphors, but because, as Jacob limped away from his famous wrestling match with God, so we all get by on bum hips and bad knees. Following Jesus, we gimp our way down the dark and slippery paths of life. As we do, we discover, ironically, that the longer we follow him, the weaker we become, and the more we lean on our Lord. Finally, at our most mature, our eyes are opened to realize that we've never run or walked or even limped a single day of our lives. We've been on Christ's shoulders the entire time.

The Power of a Man Rick Johnson, 2009 Rick Johnson equips men to be the powerful and influential men God created them to be, as husbands, fathers, and world-changers.

Stop Being Niggardly Karen Hunter, 2010-04-27 nig-gard-ly (adj.) [nig´erd-le] 1. stingy, miserly; not generous 2. begrudging about spending or granting 3. provided in a meanly limited supply If you don't know the definition of the word, you might assume it to be a derogatory insult, a racial slur. You might be personally offended and deeply outraged. You might write an angry editorial or organize a march. You might even find yourself making national headlines In other words, you'd better know what the word means before you pour your energy into overreacting to it. That's the jumping-off point for this powerful directive from Pulitzer Prize-winning journalist and bestselling author Karen Hunter. It's time for the black community to stop marching, quit complaining, roll up their collective sleeves, channel their anger constructively, and start fixing their own problems, she boldly asserts. And while her straight-talking, often politically incorrect narrative is electrifyingly fresh and utterly relevant to today's hot-button issues surrounding race, Hunter harks back to the wisdom of a respected elder—Nannie Helen Burroughs, who was ahead of her time penning *Twelve Things the Negro Must Do for Himself* more than a century ago. Burroughs's guidelines for successful living—from making education, employment, and home ownership one's priorities to dressing appropriately to practicing faith in everyday life—teach empowerment through self-responsibility, disallowing excuses for one's standing in life but rather galvanizing blacks to look to themselves for strength, motivation, support, and encouragement. From our urban communities to small-town America, the issues Hunter is bold enough to tackle in *Stop Being Niggardly* affect us all. Refreshingly candid and challenging, certain to get people everywhere talking, this is the book that takes on race in a new—yet also historically revered and simply stated—way that can change lives, both personally and collectively.

Call Me Hunter Jim Shockey, 2024-10-15 INSTANT #1 INTERNATIONAL BESTSELLER An elite secret society of killers

has controlled the world's treasures for hundreds of years...until one member tears himself free to salvage his soul and protect his daughter's life in this "astoundingly original, relentlessly paced, and purely authentic" (Jack Carr) debut. The single greatest work of art in the world is not in the Louvre or The Met, or in any private collection. In fact, its whereabouts are unknown. Once in a long while, a child is born possessing the rarest of gifts, the innate ability to feel impossible beauty, to recognize priceless works of art. When such a child is discovered, a 250-year-old secret organization called Our World trains them to acquire the greatest works of art through theft, bribery, forgery, and even murder. Once found, the masterpiece will disappear again without anyone ever knowing it surfaced and sold for billions of dollars of profit at a secret auction attended by only the wealthiest of the art world's patrons. One of Our World's rare geniuses is Zhivago. He is also a psychopathic killer. On his trail is Hunter, a man who will stop at nothing to destroy the organization and save his daughter from suffering the same fate her mother did at its hands.

Somebody Like You Beth K. Vogt, 2014-05-13 In this beautifully rendered, affecting novel, a young widow's world is shattered when she meets her late husband's identical twin—and finds herself caught between honoring her husband's memory and falling in love with his reflection. Haley's three-year marriage to Sam, an army medic, ends tragically when he's killed in Afghanistan. Her attempts to create a new life for herself are ambushed when she arrives home one evening—and finds her husband waiting for her. Did the military make an unimaginable mistake when they told her Sam was killed? Too late to make things right with his estranged twin brother, Stephen discovers Sam never told Haley about him. As Haley and Stephen navigate their fragile relationship, they are inexorably drawn to each other. How can they honor the memory of a man whose death brought them together—and whose ghost could drive them apart? *Somebody Like You* is a beautifully rendered, affecting novel, reminding us that while we can't change the past, we have the choice to change the future and start anew.

The Blood of Losers Dean Garrison, 2004 Denny Hargrave is a police crime scene technician with a problem. Every night, he drives the same decaying urban streets, photographing the dead and dying, fingerprinting murder scenes, and making diagrams of the slaughter. Lately, Denny has noticed that even the living appear to be dead. As Hargrave's strange world grows even stranger, he finds that only the old movie stars on his television seem really alive anymore. As the dead struggle for more of his time and attention, Denny fights a losing battle with madness.

Introductory Psychology in Modules Brett Pelham, David Boninger, 2020-11-09 *Introductory Psychology in Modules: Understanding Our Heads, Hearts, and Hands* is a unique and comprehensive introduction to psychology. It consists of 36 short modules that keep students engaged with humor, a narrative style, and hands-on activities that facilitate interactive learning and critical thinking. Each stand-alone module focuses on a major topic in psychology, from the brain, sensation, memory, and cognition to human development, personality, social psychology, and clinical psychology. The modular format

also allows a deep dive into important topics that have less coverage in other introductory psychology textbooks. This includes cross-cultural psychology, stereotypes and discrimination, evolutionary psychology, sex and gender, climate change, health psychology, and sport psychology. This truly modular format – ideal for both face to face and virtual learning – makes it easy for instructors to customize their readings and assign exactly what they wish to emphasize. The book also contains an abundance of pedagogical features, including numerous hands-on activities and/or group discussion activities, multiple-choice practice quizzes, and an instructor exam bank written by the authors. By covering both classic and contemporary topics, this book will delight students and instructors alike. The modular format also makes this a useful supplementary text for classes in nursing, medicine, social work, policing, and sociology.

The Other War Ronald E. Neumann, Amb Neumann, 2011 What went wrong and what went right in Afghanistan.

The 2,548 Wittiest Things Anybody Ever Said, 2012-05 A latest collection of quotes features entries that are thematically arranged to provide narrative readings, in a volume that celebrates the lighter side of such topics as courtship, lawyers, and aging.

The Three-Fingered Pinch Donald Tripp, 2016-03-07 Three-fingered pinch, known in New Mexico as the Carlsbad crease, in the Indian nations as the Seminole crease, and in modern times as the Gus crease after the hat the actor Robert Duvall wore in the miniseries Lonesome Dove. At the time of this story, the crease was an indication that the rider was from New Mexico. The style is believed to come into being around Carlsbad, New Mexico, in the 1870s.

The Call of the Writer's Craft Tom Bird, 2009-06-18 Getting a book successfully published is as much about talent and creative drive as it is a matter of determination and business practice. Luckily for would-be authors, this book delivers the how-to on both the creativity and the business. Lecturer and writing retreat leader Tom Bird introduces authors to their Divine Author Within, and guides them through the process of listening to this inner muse. They will learn how to tap into their creative connected mind and relax their logical critical mind so they will be able to write the book they've always wanted to—in just two drafts! Once the book is complete, writers learn how to sell their book. Bird instructs his readers how to successfully navigate the publishing world so that they can make the right choices for their work.

Humbled Letters From Prison Jayson Williams, 2012-06 Former NBA All-Star Jayson Williams' charisma, generosity and high-energy hustle made him one of America's most popular pro athletes during the 90s, and eventually landed him a remarkable \$86 million contract with the New Jersey Nets. Referred to as The People's Player, Jayson's magnetic appeal and tenacity on the boards made him a fierce, yet beloved competitor who spent his time off court flying planes, building houses, and tending to the chores on the farm with his father. His easy charm and sidesplitting one-liners consistently landed him on NBA sportswriters' All-Interview team and made him an audience favorite on the media circuits. But few knew the depths of pain, tragedy and addiction masked by a smile his grandmother called his most beautiful attire. Lying on his bunk amongst

the most confrontational bunch of misfits, Jayson recalls his rapid climb and mighty fall, and his father's wise words: A lifetime of happiness as you know it, Jayson, no man alive could bear it. It would be hell on earth. You have to stick to your morning routine. From the New York Times bestselling author of *Loose Balls*, *Humbled* is a powerful and candid collection of Jayson's personal letters and journals from behind bars. Shocking revelations, surprising connections, shameful secrets, and scars that only God can heal-Jayson holds nothing back as he writes about his journey to faith on both sides of the barbed-wire fences.

Reel Life 2.0 Jon Dosa,2008

500 Quotes That Will Knock Your Socks Off ,2014-10-08 'A chip on the shoulder is a sure sign of wood higher up.' 'Lack of forgiveness is like a paper cut that never goes away.' 'Do not make your mind a dumping ground for other people's garbage.' 'It is easier to do a job right than to explain why you didn't.' These are just a few of the 500 quotes in this book from past presidents, philosophers, writers, scientists and a few notable nobodies.

You Don't Have to Be Crazy to be an Alaskan, but Then Again You Might Want to Try and Fit In James Marchini,2024-01-23 Some of the names have been changed to protect the innocent. More of the names have been changed to protect the guilty. And a lot of the time, I just used the person's first name and a letter for their last name. From this book, a person might get the idea that I used to drink a lot and hang around with a lot of alcoholics. The main reason for this is that I used to drink a lot and hang around with a lot of alcoholics. But if it wasn't for all of these idiots, this book would not be possible. After all, how much fun could a person write about a group of guys sitting around playing chess? Huh? Huh? Now you get that same group of guys sitting around guzzling down beers and betting one another on how many chess pieces they can eat in one sitting. Well, that's just funny and something to write about.

Love Is for Losers Wibke Brueggemann,2021-02-23 In this wry and hilarious queer YA romantic comedy, fifteen-year-old Phoebe realizes that falling in love is maybe not just for losers. Did you know you can marry yourself? How strange / brilliant is that? Fifteen-year-old Phoebe thinks falling in love is vile and degrading, and vows never to do it. Then, due to circumstances not entirely in her control, she finds herself volunteering at a local thrift shop. There she meets Emma . . . who might unwittingly upend her whole theory on life. This is a laugh-out-loud exploration of sexuality, family, female friendship, grief, and community. With heart and hilarity, Wibke Brueggemann's sex-positive YA debut is perfect for readers who love Heartstopper and Casey McQuiston.

The Little Book of Misquotations Lou Harry,2019-08-06 Motivational quote books abound, but where are the volumes of misquotations?! In this era of fake news and fake quotes, *The Little Book of Misquotations* uncovers the truth behind the 200+ most famous things they never said! Just because a quote is engraved in marble, stenciled on your mom's wall, or repeated a million times online doesn't exactly mean that it is correct. It's time to set the record straight. *The Little Book of*

Misquotations is the definitive collection of the quotes people frequently get wrong, including: For attractive lips, speak words of kindness. -- Audrey Hepburn (Somebody else said it!) I want to suck your blood. -- Dracula (Nope! He said, I only drink...wine.) Art should comfort the disturbed and disturb the comfortable. -- Banksy (He wasn't the first person to say it!) A penny saved is a penny earned. -- Ben Franklin (That's not what he said!) With deep dives on popular yet erroneous quotations from artists, writers, celebrities, scientists, politicians, and legendary figures from around the globe, The Little Book of Misquotations offers addictive reading--and a delightful reminder not to believe everything you read!

One Bright Day in the Middle of the Night Ptr J.D. Swanson, 2024-09-04 The content of the book is all true. It is easy to look back and see the pattern of how your life occurrences go after they happen. If you are not careful, you might learn something after reading how my life was impacted. This could and will happen to you also. If you think there is any way possible that if you believe and speak out loud that someone is listening, you are 100 percent correct. You do not have to believe me; the easiest, most positive way is to believe for yourself. You do not have to change anything; just as you are yourself, ask questions. Know that by finding peace and talking on a regular basis to someone who died just so you could have freedom. It is very simple, not complicated at all; those eight million minutes you spent on your phone, give it up a little. Get the app. Or read a little. If you're not careful, there might possibly be a miracle or so with your name on it. When you wake up tomorrow morning, remember Basic Instructions Before Leaving Earth (BIBLE). May the faith be with you.

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **Life Is Hard Its Harder If Youre Stupid** .
