Randy Frazee

Renovation of the Heart Dallas Willard, 2014-02-27 As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. *Renovation of the Heart* lays a biblical foundation for understanding what best-selling author Dallas Willard calls the "transformation of the spirit"—a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge *Renovation of the Heart* offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

Summary of Dallas Willard's *Renovation of the Heart* Everest Media, 2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The human spirit is an inescapable, fundamental aspect of every human being. It takes on whichever character it has from the experiences and choices that we have lived through or made in our past. Our life and how we find the world now and in the future is largely a result of what we have become in the depths of our being. #2 The Way of Jesus is a revolution of the human heart, not the formation of social institutions and laws. It is a revolution of character that changes people's ideas, beliefs, feelings, and habits of choice. It proceeds by changing people from the inside out. #3 The church is not the kingdom of God, but it is an inevitable expression and instrument of the kingdom's presence among us. It is a society of Jesus springing up in Jerusalem, in Judea, and in

Samaria. #4 The inside of a person is what matters the most for how their life goes and ought to go. Things good and bad will happen to them, but what makes their life go is what they become within.

From Here to Maturity Thomas E. Bergler, 2014-11-27 Expert guidance on how to grow up in Christ This book is a follow-up to Thomas Bergler's acclaimed work *The Juvenilization of American Christianity*, which documents how church youth ministries over the past several decades have contributed to a process of adolescent spiritual traits becoming accepted and even celebrated by Christians of all ages. This "juvenilization" in the church is a real problem that must be addressed, says Bergler, and in his new book he addresses it head-on. Bergler's *From Here to Maturity* is an accessible guide for helping both individuals and whole faith communities to grow spiritually. Bergler claims that spiritual maturity -- defined as "basic competence in the Christian life" -- is both desirable and attainable, and he effectively presents a biblical theology of spiritual maturity, identifying its traits from pertinent New Testament passages. Adapting Dallas Willard's model of spiritual formation and applying it to congregational life, Bergler offers a wealth of practical, research-based guidance as to how Christian leaders can effectively foster spiritual maturity in their congregations. He also identifies six key faith-sustaining factors and provides a system for evaluating a church's state of spiritual maturity and steps for improving it. Ecumenically friendly, *From Here to Maturity* will be useful to individuals and leaders from many different churches and theological traditions.

The Good and Beautiful You James Bryan Smith, 2022-05-31 Christian faith is about more than belief and practices—it

is also about the kind of people we become. This Good and Beautiful Series book addresses the toxic self-narratives that hinder spiritual growth, reminding us how Scripture reveals the beauty of our own souls and serving as a companion as you discover who you truly are in Christ.

Until Christ Is Formed in You Steven L. Porter, 2018-05-01 Because Transformation Is Possible. At a popular level, Dallas Willard wrote with remarkable clarity about spiritual formation. But his writings also addressed academic concerns such as shifts in modern moral philosophy, the nature of education, and the psychology of the human self. *Until Christ Is Formed in You* brings together ten authors who knew Willard well to introduce his wide-ranging vision and consider again the overall significance of this one-of-a-kind teacher. This collection explores topics including the Beatitudes, the relationship of body and soul, the kingdom of God, discipleship to Jesus, the nature of formation, and Ignatian spirituality. The book begins with a comprehensive overview of Willard's understanding of formation, and it concludes with practical applications of this understanding to the disciplines of psychology and counseling.

Heart-Deep Teaching Gary C. Newton, 2012-05-01 When teaching the Bible, what is the best theory, and what are the best practices to stimulate deeper student learning? *Heart-Deep Teaching* was written for parents, teachers, and students of the Word who desire to apply its principles in life transforming ways. The concept of “heart-deep teaching and learning” is based on a Hebrew understanding of the “heart” as the innermost essence of a person that involves the mind, emotions, and will. When the heart is engaged by the power of the Holy Spirit within the context of God’s Word, both character and behavioral changes occur. To actively engage students’ emotions, mind, will, and body in learning, a heart-deep teacher uses strategies involving interaction, drama, reflection, story-telling, wonder, movement, creativity, acting-out, problem-solving, and wrestling with the principles discovered in the biblical text. By integrating accurate methods of analyzing the biblical text and current research in teaching and learning, the book attempts to help teachers understand the theoretical and practical skills to create their own lessons, adapt lessons from published curriculums, and improve their own strategies of studying and teaching the Word.

The Devout Life Roger Helland, 2017-10-06 The church in the Western world is largely faltering in its spiritual and missional vitality. There's a crisis of piety--or the devout life--heartfelt devotion to Christ and his cause. The Pietist movement of the seventeenth and eighteenth centuries grew into a revolutionary torrent of spiritual renewal that influenced the Moravians, the Methodists, the great awakenings, and global evangelicalism as we know it today. *The Devout Life* explores and expands on ten key features of Pietism to plunge the depths of spiritual renewal for today.

The Heart of the Story Randy Frazee, 2017-01-03 *The Heart of the Story* will help you see God's Word in a new and inspiring light. In the Bible's seemingly disconnected stories, you'll discover one grand, unfolding epic - God's story from Genesis onward - and your own life-story contained within it. "To understand the Bible," says author and pastor Randy Frazee, "you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that fits all the individual stories together like panels in one unified mural." In this new edition, Randy dives deeper in the Upper and Lower stories and shows how both perspectives will open your eyes to the richness and relevance of the Bible. Illuminating God's master-plan from Genesis to our daily lives, *The Heart of the Story* will encourage you to experience the joy that comes from aligning your stories with God's.

The Quest for Love Divine Paul W Chilcote, 2024-04-25 John Wesley's impact on Methodist theology and practice is well established, but there are many other early figures who shaped Methodism just as thoroughly. Chilcote also examines the contributions of early Methodist women such as Dorothy Fisher, Mary Taft and Sarah Crosby, exploring how the Wesley brothers and their community sought to inhabit 'faith working by love leading to holiness of heart and life'. In his collection of essays, Chilcote explores the salient themes of Wesleyan theology and practice, and reflects on its legacy, in the Wesley's time and in ours. By focussing on the nature of their discipleship and the centrality of 'love divine', Chilcote brings Wesleyan theology into sharp and practical focus.
