El imperio final / The Final Empire Brandon Sanderson, 2008-09-01 Durante mil años han caído las cenizas y nada florece. Durante mil años los skaa han sido esclavizados y viven sumidos en un miedo inevitable. Durante mil años el Lord Legislador reina con un poder absoluto gracias al terror, a sus poderes e inmortalidad. Le ayudan «obligadores» e «inquisidores», junto a la poderosa magia de la «alomancia». Pero los nobles, con frecuencia, han tenido trato sexual con jóvenes skaa y, aunque la ley lo prohíbe, algunos de sus bastardos han sobrevivido y heredado los poderes alománticos: son los «nacidos de la bruma»

(mistborns). Ahora, Kelsier, el «superviviente», el único que ha logrado huir de los Pozos de Hathsins, ha encontrado a Vin, una pobre chica skaa con mucha suerte... Tal vez los dos unidos a la rebelión que los skaa intentan desde hace mil años puedan cambiar el mundo y la atroz dominación del Lord Legislador. ENGLISH DESCRIPTION For a thousand years the ash fell and no flowers bloomed; the Skaa slaved in misery and lived in fear; the Lord Ruler reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison.

The Final Empire Wm. H. Kötke, 2007-11 In spite of its tough message, there is much compassion and humanity in The Final Empire. Right away as you begin to read this work, you sense increasingly the grand perspective in Kötke's words. He is not speaking of anarchy. He is offering vital common sense. It's just that his meaning is so unavoidably political. And so much against what we have been taught all our lives: The materialistic values of civilization teach us that the accumulation of wealth is progress. The material wealth of the civilization is derived from the death of the earth, the soils, the forests, the fish stocks, the 'free resources' of flora and fauna. The ultimate end of this is for all human species to live in giant parasitical cities of cement and metal while surrounded by deserts of exhausted soils. The simple polar opposites are: the richness and wealth of the natural life of earth versus the material wealth of people living out their lives in artificial environments. This amounts to a direct challenge to humankind. A demand for radical change. A re-envisioning of our part in the community of life and the precepts of individuality. And Mr. Kötke provides a strong argument for this case. He traces the environmental scars of civilization through the ages. Empire after empire, desertification of the top soil winds its way around the globe in an erosive helix from China to India to Mesopotamia to Italy to North America. As radical as it may seem at first glance, The Final Empire is a necessary and sensible primer for the recovery of the planet. It blends a critical statistical analysis of our deteriorating environment with a positivism of hope for a post-empire age and a new whole-human relation to the living community of Earth. Mistborn: Secret History Brandon Sanderson, 2016-01-26 Note: This novella is included in Arcanum Unbounded: The Cosmere Collection, now available in print, ebook, and audiobook from Tor (US/Canada) and Gollancz (UK/Commonwealth). Mistborn: Secret History is a companion story to the original Mistborn Trilogy. As such, it contains huge spoilers for the books Mistborn (The Final Empire), The Well of Ascension, and The Hero of Ages. It also contains very minor spoilers for the book The Bands of Mourning. Mistborn: Secret History builds upon the characterization, events, and worldbuilding of the original trilogy. Reading it without that background will be a confusing process at best. In short, this isn't the place to start your journey into Mistborn. (Though if you have read the trilogy—but it has been a while—you should be just fine, so long as you remember the characters and the general plot of the books.) Saying anything more here risks revealing too much. Even knowledge of this story's existence is, in a way, a spoiler. There's always another secret.

The Final World Empire Paul Garratt,2014-08-05 Since the time of the Early Church Fathers, Christians have sought to unravel the mystery of the fourth empire spoken of by the prophet Daniel. Despite the explicit detail provided by Daniel, and the additional insights of the apostle John in the Book of Revelation, the identity of the final world empire has continued to frustrate commentators and polarise popular opinion. And yet now, with the privilege of being able to survey the two-and-a-half millennia that makes up our history since the days of Daniel, we are not only able to correctly identify the fourth empire, but also anticipate the likely sequence of events that will take place in the near future. It will transpire that Europe is the location over which a celestial struggle is taking place to revive the fourth empire in preparation for the ascendance of the antichrist. As such, Europe stands as the bloodiest and most anti-Semitic continent on earth. You will discover: - The identity of Daniels four world empires. - How the fourth empire has undergone seven distinct episodes of revival. - The significance of the Roman Catholic Church in the evolution of Europe. - Why ancient Babylonian imagery has been embraced by the European Union. The current evolution of the European Union is intrinsically linked to Bible prophecy. Understanding what God seeks to do in Europe, at this most anticipated moment in history, will enable you to rise to unparalleled levels of influence in your sphere of ministry.
