THE ANSWERS TO THE QUESTIONS ARE PROVIDED AT THE END OF EACH PAGE, MAKING IT EASY FOR PARTICIPANTS TO VERIFY THEIR ANSWERS AND PREPARE EFFECTIVELY.

Abstraction Matters Cristina Baldacci,Michele Bertolini,Stefano Esengrini,2018-11-20 From the archaic funerary and sacred stones to the most recent three-dimensional objects, sculpture has been determined by a dualistic tension between the urge for imitation of natural forms (mimesis) and the desire to freely shape autonomous configurations (abstraction). Within such a complex history, the second half of the 20th century has been a particularly intense period. Besides their abstract works, many sculptors developed an extraordinarily rich theoretical discourse. This collection of essays presents some of the most eminent protagonists of this crucial historical moment by focusing on the artists' "own words". In their analysis, the contributors have followed three key-notions - "Sensation", "Idea", and "Language" - that fruitfully collect different artists under a common conceptual arch and show the aesthetic relevance of abstraction in sculpture. This book

addresses high-level undergraduate and graduate students, as well as the scholarly community in the fields of aesthetics and art criticism, art history and art theory, visual, cultural and media studies.

The Routledge Handbook on the American Dream Robert C. Hauhart, Mitja Sardoč, 2022-11-30 The Routledge Handbook on the American Dream: Volume 2 explores the social, economic, and cultural aspects of the American Dream in both theory and reality in the twenty-first century. This collection of essays brings together leading scholars from a range of fields to further develop the themes and issues explored in the first volume. The concept of the American Dream, first expounded by James Truslow Adams in *The Epic of America* in 1931, is at once both ubiquitous and difficult to define. The term perfectly captures the hopes of freedom, opportunity and upward social mobility invested in the nation. However, the American Dream appears increasingly illusory in the face of widening inequality and apparent lack of opportunity, particularly for the poor and ethnic, or otherwise marginalized, minorities in the United States. As such, an understanding of the American Dream through both theoretical analyses and empirical studies, whether qualitative or quantitative, is crucial to understanding contemporary America. Like the first volume of *The Routledge Handbook on the American Dream*, this collection will be of great interest to students and researchers in a range of fields in the humanities and social sciences.

Fitzgerald's The Great Gatsby Nicolas Tredell, 2007-02-28 Reader's Guides provide a comprehensive starting point for any advanced student, giving an overview of the context, criticism and influence of key works. Each guide also offers students fresh critical insights and provides a practical introduction to close reading and to analysing literary language and form. They provide up-to-date, authoritative but accessible guides to the most commonly studied classic texts. *The Great Gatsby* (1925) is a classic of modern American literature and is often seen as the quintessential novel of 'the jazz age'. This is the ideal guide to the text, setting *The Great Gatsby* in its historical, intellectual and cultural contexts, offering analyses of its themes, style and structure, providing exemplary close readings, presenting an up-to-date account of its critical reception and examining its afterlife in literature, film and popular culture. It includes points for discussion, suggestions for further study and an annotated guide to relevant reading.

American Misfits and the Making of Middle-Class Respectability Robert Wuthnow, 2017-08-15 How American respectability has been built by maligning those who don't make the grade How did Americans come to think of themselves as respectable members of the middle class? Was it just by earning a decent living? Or did it require something more? And if it did, what can we learn that may still apply? The quest for middle-class respectability in nineteenth-century America is usually described as a process of inculcating positive values such as honesty, hard work, independence, and cultural refinement. But clergy, educators, and community leaders also defined respectability negatively, by maligning individuals and groups—"misfits"—who deviated from accepted norms. Robert Wuthnow argues that respectability is constructed by "othering" people who do not fit into easily recognizable, socially approved categories. He demonstrates this through an in-

depth examination of a wide variety of individuals and groups that became objects of derision. We meet a disabled Civil War veteran who worked as a huckster on the edges of the frontier, the wife of a lunatic who raised her family while her husband was institutionalized, an immigrant religious community accused of sedition, and a wealthy scion charged with profiteering. Unlike respected Americans who marched confidently toward worldly and heavenly success, such misfits were usually ignored in paeans about the nation. But they played an important part in the cultural work that made America, and their story is essential for understanding the “othering” that remains so much a part of American culture and politics today.

Film Quotations Robert A. Nowlan, Gwendolyn W. Nowlan, 2016-04-30 Certain lines define a movie. Marlene Dietrich in *Morocco*: “Anyone who has faith in me is a sucker.” Too, there are lines that fit actor and character. Mae West in *I’m No Angel*: “I’m very quick in a slow way.” Jane Fonda in *California Suite*: “Fit? You think I look fit? What an awful shit you are. I look gorgeous.” From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

kate spade new york: places to go, people to see kate spade new york, 2018-06-19 *kate spade new york: places to go, people to see* focuses on the how, where and why of travel through the lens of the always-inspired kate spade new york girl. this new volume features vibrant photography, old-world glamour, a dash of charm and inspirational quotes, tips and words of wisdom that every kate spade new york girl should know. *kate spade new york: places to go, people to see* showcases chic destinations such as paris, new york city, the amalfi coast, marrakech, tokyo, and st moritz, along with ways to incorporate those things seen, heard and experienced into life back home. *kate spade new york: places to go, people to see* will have you booking a plane ticket the moment you finish turning the pages!

Web Writing Jack Dougherty, Tennyson O'Donnell, 2015-04-21 Teaching writing across the curriculum with online tools

Multimedia Texts Set Janice Marcuccilli Strop, Jennifer Carlson, 2011-02-02 Today's multimedia, multimodal world necessitates literacy instruction that includes a variety of text forms (such as film, print, music, Internet, photographs). Strop and Carlson provide all types of learners with the lifelong tools they need to explore and interpret texts. This book will help

teachers and students reach beyond printed texts to expand perspectives, understand different text forms and genres, make intertextual connections, and transcend strategy-based instruction. Multimedia Text Sets includes: -ideas for explicit teaching of how to read different forms and genres of texts. -real stories, which demonstrate the power of multiple literacies, from three teachers who incorporate multimedia text sets in their classrooms. -engaging ideas for instruction you can use to help develop your own students' reading/writing practices with a variety of text forms. -practical suggestions on how to create your own multimedia text sets. Contributors to this book are Holly Dionne, Richard Kuhnen, and Stephanie Reid.

The Great Gatsby Harold Bloom, 2006 This series provides comprehensive reading and study guides for some of the world's most important literary masterpieces.

American Studies International, 1985

Differentiating Instruction With Menus Laurie E. Westphal, 2021-09-09 Differentiating Instruction With Menus: Literature (Grades 9-12):

F. Scott Fitzgerald's The Great Gatsby Matthew Joseph Brucoli, 2000 The Great Gatsby is regarded as the most widely taught and read American literary classic. This volume is intended to help readers fully enjoy and understand this work that continues to become part of the equipment of educated people. Also provides information on the author's intentions in writing this work and the knowledge, values, standards and biases of the public at the time of its initial publication.

Dwelling in the Text Marilyn R. Chandler, 2023-11-15 What is a house? And what can architecture tell us about individual psychology, national character and aspiration? The house holds a central place in American mythology, as Marilyn Chandler demonstrates in a series of house tours through American novels, beginning with Thoreau's *Walden* and ending with Toni Morrison's *Beloved* and Marilynne Robinson's *Housekeeping*. Chandler illuminates the complex analogies between house and psyche, house and family, house and social environment, and house and text. She traces a historical path from settlement to unsettledness in American culture and explores all the rituals in between: of building, decorating, inhabiting, and abandoning houses. She notes the ambivalence between our desire for rootedness and our romanticization of wide open spaces, relating these poles to the tension between materialism and spirituality in our national character. At a time when housing has become a problem of unprecedented dimensions in America, this look at the place of houses and homes in the American imagination reveals some sources of the attitudes, assumptions, and expectations that underlie the designing and building of the homes we buy, sell, and dream about. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1991.

American Anti-Pastoral Thomas Gustafson, 2024-06-14 One of the best-known novels taking place in New Jersey, Philip

Roth's 1997 *American Pastoral* uses the fictional hamlet of Old Rimrock, NJ as a microcosm for a nation in crisis during the cultural upheavals of the 1960s-70s. Critics have called Old Rimrock mythic, but it is based on a very real place: the small Morris county town of Brookside, New Jersey. *American Anti-Pastoral* reads the events in Roth's novel in relation to the history of Brookside and its region. While Roth's protagonist Seymour "Swede" Levov initially views Old Rimrock as an idyllic paradise within the Garden State, its real-world counterpart has a more complex past in its origins as a small industrial village, as well as a site for the politics of exclusionary zoning and a 1960s anti-war protest at its celebrated 4th of July parade. Literary historian and Brookside native Thomas Gustafson casts Roth's canonical novel in a fresh light as he studies both Old Rimrock in comparison to Brookside and the novel in relationship to NJ literature, making a case for it as the Great New Jersey novel. For Roth fans and history buffs alike, *American Anti-Pastoral* peels back the myths about the bucolic Garden State countryside to reveal deep fissures along the fault-lines of race and religion in American democracy.
