Is it even worth having full coverage insurance if my car only ... It does, but I'd much rather have a local insurance agent I can work with if anything goes wrong. And most CC rental car insurance is secondary insurance that only kicks in after your auto insurance. CC insurance also covers only theft and the vehicle costs. **How much does my car worth? : r/askcarsales - Reddit** May 7, 2022 · I want to sell my car but have no idea where to start and how much should I ask for my car? I'd really appreciate your help. Ford Fusion S 2018 First owner 15k miles Haven't been in any accident but there are few minor scratches Archived post. New comments cannot be posted and votes cannot be cast. **How do I know exactly how much a car is worth? : r ... - Reddit** Jan 11, 2024 · How do I know exactly how much a car is worth? Talking about new ones. I don't want to come into the dealership and start trying to lower the price with a salesman without knowing how much it's really worth. What about used ones? Should I just subtract a % of the price and assume that's the lowest they can go? *How much should I take if I scrap my car? : r/Frugal - Reddit* May 30, 2023 · That's a pretty new car to sell by weight. Lots of people, myself included seek out broken cars for sale to fix and flip, and a trans swap is usually a pretty easy money maker. Stick it on marketplace for a few weeks before scrapping it. It's gotta be a notoriously shitty car to only be worth scrap weight at 10 years old, or heavily wrecked. **At what point is a car no longer worth repairing? - Reddit** Jun 5, 2023 · The crossover point to a repair not being worth it is entirely dependent on your financial situation and personal preference imo. I don't necessarily look at the value of my car when looking at repairs but the cost of replacing my car. *Want to get rid of my car but I owe more than it's worth ... - Reddit* Sep 15, 2023 · So I would like to sell my car, which would save me close to \$800/ month after accounting for insurance, gas, my monthly payment, etc. The only hiccup, KBB values my car at around \$16k on the high end. I know I could possibly get more than that if I sell privately, but even then I don't see myself getting close to \$24k. **New Car Replacement - worth it? : r/Insurance - Reddit** May 20, 2023 · If I understand it correctly, in the case of theft or an accident that totals my car within the first X amount years of ownership, New Car Replacement will have the insurance pay me the amount it will cost to buy a brand-new vehicle with the same make and model at that time. No need to worry about how much my car has depreciated. What is the process for selling on Autotrader? : r/askcarsales Jan 13, 2024 · I was on Kbb.com just getting general information on how much my car is worth and I decide to make an autotrader account and use their website to... *How do I determine how much a used car is worth? : ...* Oct 31, 2021 · Let's say I have

determined that the average asking price at dealerships for a specific used car in my area is \$30k, does that mean that car is worth \$30k? I would assume everyone is inflating their asking prices so they have room to negotiate. So how do I determine how much that car is actually worth? Edit I didn't mean to piss anyone off. How much does a newly replaced engine affect the value of a car ... Jun 10, 2023 · All that does is maintain the value, just like having good tires or doing regular oil changes. It would be worth less than normal if it needed an engine, not more because it has a good one. It doesn't reset the life of the car.
