Peter Robson, Jennifer L Schulz

The Last Laugh Eva Muñoz, 2022-02-22 Can fake fiancées find lasting love—together? Travel agent Dina dreams of a promotion that will allow her to see the world in person instead of from her computer screen. When Dina's boss invites her on the partners trip, Dina is over the moon. There's just one catch: the invite is for her and her fiancée—a woman who doesn't exist. Dina hits a comedy club to distract herself from her problem... and runs into the perfect solution. The Edinburgh Comedy Festival could be comedian Claire's big break—if only she could get in. Dina can make that happen for her. All Claire has to do is pretend to be her fiancée. Dina and Claire make an odd couple—organized versus spontaneous, prim versus outrageous—but they agree to the bargain for the sake of their careers. After all, how hard can it be to pretend to be in love on the most romantic vacation ever? What could possibly go wrong?

Impulse Eva Muñoz, 2020-03-03 Welcome, Motor Heads, Rally Girls, and Hangers-On! It's another wild ride here at the Gathering—the underground world of fast cars, crazy drivers, and partying all night long. If you're here, it means you've broken curfew. Not something the ruling Mob of Terra One encourages, but we're all in the same boat, so let's rock it! As long as you've paid off your local Associate, you'll be fine. Maybe. Tonight's race features racing royalty, ladies and gents! Let's welcome seventeen-year-old Rebecca RC Camille, third in the Driver's Index. She lives to race. Nothing but motor oil running through her veins, folks. Her aim? To be number one, beating out two of the boys she grew up with at the Open Arms orphanage. She's lethal in her GT500KR. Nothing gets in her way. Not a sense of brotherhood. Not even love. Her challenger tonight? A psychotic serial killer willing to stop at nothing to eliminate the competition. Can RC stop him before he kills his way to the top? Or will she need reinforcements from the authority we all love to hate? Remember, children, the Mob never gives away their help for free.

What happened for Eva to want to kill her childhood friend? Where is she hiding and why? What role, in the story of the protagonist, do characters like Leo and Alouqua play? How will the battle to the death between Ianire and Luna end? Most of these questions will be unveiled in this second volume. Hiding Mengele Betina Anton, 2025-02-27 Read the international sensation already translated into 10 languages!

Unearthing the network that hid the 'Angel of Death,' the infamous Nazi doctor who escaped justice for more than three decades. In 1985, Betina Anton watched Brazilian authorities apprehend her kindergarten teacher for allegedly using false documents to bury in secrecy the remains of Josef Mengele, known worldwide for cruel human experiments and for sending thousands to the Auschwitz gas chambers. Decades later, as an experienced journalist disturbed by the mysteries surrounding the departure of Austrian expat Liselotte Bossert, Anton set out to find her and see if the rumors were true. She could not imagine how deeply into Mengele's life-on-the-run her investigation would take her. Josef Mengele was a fugitive in South America for thirty-four years after World War II, sought by Israeli secret service and Nazi hunters. Hidden for half that time in Brazil, thanks to a small circle of expatriate Europeans, Mengele created his own paradise where he could speak German with new friends, maintain his beliefs, stay one step ahead of the global manhunt, and avoid answering for his crimes. Translated from the Brazilian Tropical Bavaria edition and based on extensive research, including revelatory interviews and never-before-seen letters and photos, *Hiding Mengele* is a suspenseful narrative not only haunted by the doctor's horrific actions but also by the motivations driving a community to protect an evil man.

Damned Beings. Metamorphosis Eba Martín Muñoz, 2017-10-01 Gothic Novel, dark fantasy *The Red Demon*, an empathic and tormented vampire, has just been converted by his Master, which leads him to lose his sibfriend Eva. Emotion, mystery, pain, suspense, humor and terror will unite in this unsettling volume of the saga to surprise and excite you without limits. Prepare yourself to laugh, cry, get horrified, to FEEL IN ALL CAPS with I and Wva, with Leo, the necromancers Luna and Ianire, the diabolic doll Paula, with the demon Ariocho and a long cast of connected damned characters.

Naming the Father Eva Paulino Bueno, Terry Caesar, William Hummel, 2000-01-01 *Naming the Father* is a collection of essays on the subject of fatherhood: its enduring power, its secret ruses, its unsettling provocations. Despite the considerable critical attention devoted to motherhood in literature-and despite the late-twentieth-century focus on patriarchy-there is surprisingly no comparable collection on fatherhood. This volume was born of the conclusion that critics of modern and contemporary literature may comprehend the father too little for presuming to have comprehended patriarchy so much. *Naming the Father* begins with a series of nonfiction essays that attempts to locate the missing father in the individual experiences of three scholars at various stages of their careers. The following thematically grouped sections recover and discuss fatherhood in fields ranging from Caribbean fiction to African American drama and in the work of authors as diverse as Rebecca West, Anzia Yezierska, William Burroughs, and Stephen Wright, as well as Henry James and James Joyce. A variety of critical approaches, from biographical to deconstructive, activate and engage with the cultural, national, and global implications of fatherhood for the family and for the future of literary studies. Scholars and students of contemporary

literature, cultural studies, and gender studies will find this book a fascinating and invaluable collection.

Popular Culture In Chile Kenneth Aman,Cristian Parker,2019-06-04 First published in 1991. An implicit thesis of this volume is that popular culture in Chile is more than the total of many individual biographies. It requires a new analysis of society as a whole and of social change. Too often, political scientists and other social analysts have seen social change as proceeding from the top down. One can interpre

A Transnational Study of Law and Justice on TV Peter Robson,Jennifer L Schulz,2016-11-17 This collection examines law and justice on television in different countries around the world. It provides a benchmark for further study of the nature and extent of television coverage of justice in fictional, reality and documentary forms. It does this by drawing on empirical work from a range of scholars in different jurisdictions. Each chapter looks at the raw data of how much justice material viewers were able to access in the multi-channel world of 2014 looking at three phases: apprehension (police), adjudication (lawyers), and disposition (prison/punishment). All of the authors indicate how television developed in their countries. Some have extensive public service channels mixed with private media channels. Financing ranges from advertising to programme sponsorship to licensing arrangements. A few countries have mixtures of these. Each author also examines how TV justice has developed in their own particular jurisdiction. Readers will find interesting variations and thought-provoking similarities. There are a lot of television shows focussed on legal themes that are imported around the world. The authors analyse these as well. This book is a must-read for anyone interested in law, popular culture, TV, or justice and provides an important addition to the literature due to its grounding in empirical data.
