Frank Hammond, Ida Mae Hammond

Summary of Frank Hammond & Ida Mae Hammond's Pigs in the Parlor Everest Media, 2022-07-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Demons can invade and indwell human bodies. They do so in order to gain a greater advantage in controlling the person they are working from the inside than when they are working from the outside. When demons indwell a person, he or she is said to be possessed by evil spirits. #2 The Christian should consider indwelling demons as unnecessary and undesirable trespassers. A trespasser is one who unlawfully and stealthily encroaches upon the territory of another. The Christian must confront and challenge the demons on the basis of his legal rights. #3 All demons are liars and deceivers. They have no right to indwell bodies redeemed by the blood of the Lord Jesus Christ. When demons are being commanded out of a person, they will sometimes claim that they have been there a long time, as though tenure of occupancy gives them title to a person's body. #4 As a spiritual type, the pig is to the natural realm what the demon spirit is to the spiritual realm. Just as the Israelite zealously protected himself from contact with pigs, the Christian is to guard himself from contact with evil spirits.

Holy Spirit, the Deliverer Loreatha Gunnels-Mayberry,2014 When someone becomes a Christian, they belong to God--but the devil doesn't always let go easily. Sometimes he tries to hold on to what--who--used to be his. That's why deliverance ministry is so important, freeing God's people from the ties that can bind and keep them from knowing the fullness of their new life in Him.

When Pigs Move In Don Dickerman,2010-09-24 Demons have come to kill, steal, and destroy. They take possession of lives, oppress believers and wreak havoc on the plans of God for His people. Could they be the source of YOUR struggles? Jesus did not say to counsel demons out or to medicate them out; He said, Cast them out! Every day, we give demons too much power when in fact, Jesus has given us authority to bind them and command them to leave. In When Pigs Move In, Don Dickerman delivers principles for deliverance, providing stories of men and women whose lives have been transformed because someone looked the devil right in the eye and commanded: In Jesus' name, get OUT! Dickerman includes interviews and insight into such notable conversions as David Berkowitz (Son of Sam), Ed Ferncombe (one of Ireland's worst criminals), and many others who have been delivered and set free.

Deliverance and Healing for All Rev. Ibet N. Toltowicz Evangelist,2019-09-09 He was afraid to open them, but hesitantly opened his eyes at my insistence. When he began to look around, he could not see the spirit anywhere. He continued to look all over but the spirit that had tormented and tracked him all of those long years was instantly gone. Praise and glory and honor be to our God. At that moment I knew that this young man realized that God's power was greater than Satan's.

Exporting the American Gospel Steve Brouwer,Paul Gifford,Susan D. Rose,2013-12-16 As the pressures of

globalization are crushing local traditions, millions of uprooted people are buying into a new American salvation product. This fundamentalist Christianity, a fusion of American popular religion and politics, is one of the most significant cultural influences exported from the United States. With illuminating case studies based on extensive field research, *Exporting the American Gospel* demonstrates how Christian fundamentalism has taken hold in many nations in Africa, Latin America and Asia.

Prayers That Break Curses John Eckhardt, 2010-09-24 Is your life characterized by continual setbacks and misfortune? Does it appear as though no matter what you do, you cannot seem to obtain the blessings of the Lord? You could be living under a curse. Unfortunately, there are still many believers living under curses even though they have been legally redeemed. Just as a believer may have to fight a good fight of faith for healing, he or she may also have to fight a good fight of faith against curses. Satan may not have a legal right to enforce a curse against you, but he is an outlaw and will attempt to do so anyway. Therefore, curses oftentimes have to be broken, and you must learn how to stand in faith against those curses, keeping them from operating in your life. The promises God gives us in the Bible are not automatic. They must be believed and often fought for. You don't have to fight God for His promises; He is not keeping them back from you. But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises. Written in the style of *Prayers That Rout Demons*, this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life.

ENCOURAGEMENT FROM THE PSALMS Dr. B, 2023-10-06 As James Brandon read and studied the Psalms over the years, he came to realize that the Lord was talking to our souls through these ancient songs. He was also struck by a book written in the 1800s by a man named Hawker, who after reading one of the Psalms would exclaim: "Oh my soul, what is this that thou hast found in the Holy Writ?" He would talk to his soul after reading the text. The author began to read the Psalms and reflect on what each one said to his soul. He has done that for fifty years. In this book, he focuses on the Psalms of Moses, which encompass Psalms 90 to 106. They may have been collected by "the men of Hezekiah" during the reign of King Hezekiah and/or by Ezra following the Babylonian Captivity. It was titled "The Numbers Book"—the Wilderness Sojourn and the Promised Land. (The Pulpit Commentary, Vol. 8, 254; The Companion Bible, "Psalms," 720). The Psalms are a wonderland of devotion. They have enlightened the author's mind and encouraged his spirit. They can do the same for you—all while providing principles for living this life as you help others walk with the Lord.

Healing Lost Souls William J. Baldwin, 2003-06-01 For two decades, William Baldwin has been a pioneer in the ever-expanding therapeutic fields of Spirit Release, Past Life Regression, and Soul-Mind Fragmentation. In his Florida practice, he uses these therapies routinely to help patients who suffer from Dissociative Trance and Dissociative Identity (formerly called Multiple Personality) Disorders. *Healing Lost Souls* explains the attributes of each therapy in everyday

language, and provides dozens of case studies to illustrate its clinical use. Likening his work to the ancient practice of shamanism, Baldwin has found that psychological disorders are often rooted in past life traumas, the interference of attached entities of various origins, and the fragmentation of one's soul. Baldwin stresses the importance of active patient participation throughout the stages of regression, as well as the need to treat encountered entities with respect, since they are often mere lost souls as bewildered and frightened as the patients themselves.

Redacted David M. Miller,2024-07-23 Redacted examines the evolution of the ministry of deliverance, tracing its roots from the Gospels to the twentieth century. This in-depth exploration reveals the contours of Jesus' and the apostles' ministry, and how their practices influenced the fervent exorcisms of the pre-Nicene Church, igniting widespread revival. From there, Redacted follows the decline of exorcism from the fourth to the eleventh centuries, where it almost entirely disappears. When it is brought back during the High Middle Ages, the practice takes on a highly ritualized form that departs from the Apostolic model. The Reformation saw exorcism's contentious duality between charismatic and ritual forms, before they were both entirely snuffed out with Protestantism. Yet, the twentieth century witnessed its resurgence, beginning at Azusa St. and growing within the Charismatic movement. Redacted identifies the historical connection between deliverance and revival and makes the case that deliverance ministry is essential for revival today.

A Theology of the Dark Side Nigel G. Wright,2010-04-01 How can we oppose evil without creating new evils and being made evil ourselves? --Walter Wink What we think and don't think about evil is important. Nigel Wright provides us with a thorough biblical and theological study of the nature of evil, Christ's victory over it, and our participation in that victory as we await its consummation. In this revision and updating of the *Fair Face of Evil: Putting the Power of Darkness in Its Place*, Wright sorts through the options to develop a thoroughly Christian understanding of the danger of the enemies of both God and humanity. Getting our thinking right will help us get our ways of living and acting right as well.
