

Ventajas Y Desventajas Del Lider Paternalista

Terry C. Jones

Desarrollo de las Habilidades de Liderazgo Hiriappa B; Ph.D.,2018-05-12 Desarrollo de las Habilidades de Liderazgo Este texto apoya a los estudiantes en el desarrollo de las habilidades de liderazgo y la aplicación efectiva del manejo de las funciones de liderazgo en los negocios y en su vida. De esta manera se entrega a los aprendices un claro recorrido a travez del desarrollo de las habilidades de liderazgo y enseñanzas para ver cual es actualmente su posición y forma para planificar el desarrollo de fortalezas en grandes habilidades de liderazgo. Este libro muestra un cultivo eficaz de las habilidades de liderazgo y ayuda a mejorar ls puntos de funciones de liderazgo, asi como debes ser para transformarte en un líder. .

Gestión del recurso humano en las organizaciones - 1ra edición Jaime Alonso Arciniegas Ortiz,2018-01-01 La dirección del recurso humano es fundamental en la administración de empresas, pues cualquier cambio, por insignificante que parezca, en los procesos, hábitos o tareas puede implicar una enorme variación en el bienestar del personal y la productividad empresarial. La obra aborda los conceptos y procedimientos que intervienen en el manejo del talento humano en las organizaciones, partiendo de la planeación, organización, dirección, coordinación y control del personal, teniendo en cuenta las normas instituidas por los organismos internacionales. El libro va dirigido a estudiantes y profesionales de economía, administración empresarial y áreas afines, y a inversionistas, gerentes y responsables del área de recursos humanos

Planeamiento y evaluación de la tarea escolar Susana Avolio de Cols,María C. J. Martí,1976

Palestinos e israelíes. Cincuenta años de partición del territorio Ma Dolores Algora Weber,José Félix González Noriega,1999-12-28

Gestión de departamentos de servicio de alimentos y bebidas MOTTO LÓPEZ, MARINA,FERNÁNDEZ MENÉNDEZ, MIGUEL ÁNGEL,2021-02-09 Todas las empresas de restauración aspiran a conseguir el éxito comercial. Lograr una oferta atractiva y la satisfacción del cliente requiere grandes dosis de esfuerzo y entusiasmo, ineficaces sin una gestión adecuada del proceso de negocio. Este manual incluye todo lo necesario para aprender a gestionar eficazmente el departamento de servicio de alimentos y bebidas. Se detallan las características de cada tipo de negocio y su casuística, el proceso del plan empresarial en restauración, sus necesidades presupuestarias, la previsión de gastos y la obtención de beneficios. Todo sin olvidar la importancia de los recursos humanos, cómo elegir el personal y los cauces adecuados para dirigir equipos de

trabajo. Asimismo, ante una clientela cada vez más informada y pendiente de cuestiones relativas a seguridad higiénico-sanitaria y calidad, es importante presentarse con una marca de referencia que asegure el máximo nivel de calidad. Por eso esta obra también aborda los sistemas de calidad en el servicio de alimentos y bebidas, detallando las diferentes marcas, organismos y el procedimiento para conseguir las certificaciones. El contenido teórico se acompaña de una cuidada selección de imágenes, tablas, diagramas y destacados que facilitan la comprensión y se complementan con una batería de actividades finales para afianzar los conocimientos. Los solucionarios están disponibles en www.paraninfo.es. Además, la obra responde fielmente al currículo previsto para el Módulo formativo MF1104_3 Gestión de departamentos de servicio de alimentos y bebidas, que forma parte del certificado de profesionalidad H0TR0409 Gestión de procesos de servicio en restauración, regulado en el RD 685/2011, de 13 de mayo, y modificado por el RD 619/2013 de 2 de agosto.

Pensando la Educación Física como área de conocimiento Adrián Ferreira, Carlos Skliar, Carlos Cullen, Daniel Berisso, Silvia Duschatzky, Paula Vainikoff, Oscar Minkévich, Maximiliano Cacace Bach, Raúl Gómez, Carlos Carballo, Ángela Aisenstein, Pablo Ariel Scharagrodsky, Graciela Morgade, María Luisa Pfeiffer, Emiliano Naranjo, Sandra Katz, David Beer, Jorge Miramontes, Raumar Rodríguez Jiménez, Martín Uro, Martín Scarnatto, Jorge Ricardo Saraví, José Fotia, Albert Batalla Flores, Fernando Auciello, César R. Torres, Jesús Ilundaín-Agurruza, 2019-03-05 Pensando la Educación Física como área de conocimiento ha sido producto de las investigaciones, artículos y ponencias presentadas en las Conferencias Académicas -del período 2013-2015- producidas por el Seminario Permanente de Investigación del Laboratorio de Investigaciones Pedagógicas de la Actividad Física y el Deporte, del ISEF No 1 Dr. Enrique Romero Brest. El texto se dirige a los estudiantes, profesores, licenciados e investigadores de Educación Física así como a todo actor de la cultura corporal del movimiento. El libro presenta una pluralidad y diversidad de producciones que relacionan a la educación, la Educación Física y el sujeto, reconociendo dos de sus propiedades o aspectos distintivos: la diferencia y la singularidad. Compone un colectivo de enfoques y perspectivas que incluyen y se involucran con problematizaciones pedagógicas y abordajes epistémicos del campo disciplinar de la Educación Física. En tal sentido, aspira a priorizar preguntas que pueden ser pensadas desde múltiples dimensiones, fundamentalmente, a partir del análisis del sujeto y el cuerpo en los discursos y las prácticas de la formación docente en Educación Física. A lo largo de sus veinticuatro artículos, producidos por docentes, académicos e investigadores reconocidos nacional e internacionalmente, mantiene un grado de complejidad como también de consistencia e inconformismo creativo en el camino de indagar y abordar nuevas preguntas y problemas. Pretende así responder al interés en ampliar las miradas sobre el pensar en movimiento, desde la indagación permanente, hacia nuevas teorizaciones. Quienes transitan el estudio, la profesión o la investigación del campo de la Educación Física, aun desde distintas ópticas e intereses, encontrarán en esta obra artículos de su genuino interés, elaborados con el objetivo de que el lector pueda, en su práctica, dar cuenta y reformular lo construido.

Odontología Pediátrica Noemí Bordoni, 2010 Esta primera edición, dedicada tanto al estudiante como al experto, se aleja del modelo convencional de los libros del campo de la salud puesto que sus contenidos se han distribuido en tres áreas integradoras del conocimiento: el niño el adolescente en salud, el niño y el adolescente en enfermedad y el niño y el adolescente en su entorno social. Esto facilita al lector estudioso acceder a una revisión crítica de los temas tratados relacionados con el niño y con el adolescente en salud y en enfermedad, en lo individual y en lo colectivo. Por su concepción, la obra dimensiona la Odontología Pediátrica dentro de la concepción de la calidad de vida, la promoción de la salud y la prevención de las enfermedades como marco e instrumentos tendientes al bienestar del niño en su contexto familiar y social.

Teología práctica pastoral Sr. Teofilo Aguillón, 2014-01-21 Le gustaría saber: ¿Cómo preparar su visión y presentarla por escrito a la iglesia? ¿Cómo redactar las descripciones de trabajo a cada colaborador? ¿Cuántas clases de líderes se pueden descubrir? ¿Cómo escribir cartas agradeciendo los diezmos? ¿Cuáles son las etapas de crisis de un pastor? ¿Cuántos tipos de gobierno eclesiásticos existen? ¿Cómo celebrar una ceremonia de 15 años? Estos y muchos otros temas los podrá ampliar al estudiar este práctico manual.

La productividad y el riesgo psicosocial o derivado de la organización del trabajo Ricardo Fernández García, 2013-06-12 Existen muchas empresas que día a día están perdiendo liderazgo y competitividad en el mercado, debido a que cuentan con organizaciones deficientes u obsoletas que están lastrando su rentabilidad y a la vez son un impacto negativo al desarrollo y motivación de las personas que la conforman. No entienden que el Capital Humano es lo más importante de una organización ya que es un nervio vital. Una empresa puede tener la mejor infraestructura, tecnología, planta industrial o el equipo más moderno pero esto no será suficiente para continuar y tener una garantía de éxito en el mercado. Solamente las personas, con sus conocimientos, habilidades, actitudes y aptitudes, son capaces de impulsar o destruir una organización. Es por tanto imprescindible un compromiso permanente de los miembros de la organización para lograr sus objetivos. No podemos olvidar que la motivación es una característica de la psicología humana que contribuye a su grado de compromiso. No olvidemos que la organización no dispone de personas, sino que se encuentra formada por personas. Podemos definir los factores psicosociales como aquellas condiciones presentes en el trabajo, relacionados con la organización, el contenido y la realización del trabajo que pueden afectar tanto al bienestar y la salud (física, psíquica o social) de los trabajadores como al desarrollo del trabajo así como a la productividad empresarial. Las principales consecuencias negativas sobre la persona son el estrés y la insatisfacción laboral y se observan en parámetros como la cantidad y la calidad del trabajo realizado, la rotación laboral o el absentismo. Según los datos de la V Encuesta Nacional de Condiciones de Trabajo los estudios o programas de intervención sobre el estrés se han realizado sólo en un 2,8% de las

empresas, hallándose a la cola de las actividades preventivas. Espero que este libro sirva para mejorar la productividad empresarial vía una mejor concienciación frente a estos riesgos.
