Brendan G. Carr

English Language & Usage Stack Exchange Q&A for linguists, etymologists, and serious English language enthusiasts "*Free of*" vs. "*Free from*" - *English Language & Usage Stack ...* Apr 15, 2017 · If so, my analysis amounts to a rule in search of actual usage—a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years suggests that the English-speaking world has become more receptive to using "free of" in place of "free from" during that period. **What is the opposite of "free" as in "free of charge"?** Feb 2, 2012 · What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word. *On Saturday afternoon or in the Saturday afternoon?* Sep 16, 2011 · The choice of prepositions depends upon the temporal context in which you're speaking. "On ~ afternoon" implies that the afternoon is a single point in time; thus, that temporal context would take the entire afternoon as one of several different afternoons, or in other words, one would use "on" when speaking within the context of an entire week. "In ~ afternoon" ... What is the difference between 'Is it free' and 'Is it on the house'? May 10, 2019 · 8 "Free" and "on the house" both mean that you don't have to pay, but the inferred meaning is slightly different. If something is "free" it is without charge. For example, you might receive a voucher through the mail that says you are entitled to a free drink if you hand the voucher in at a bar. **orthography - Free stuff - "swag" or "schwag"? - English** ... My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages—Google searching indicates that the **etymology - Origin of the phrase "free, white, and twenty-one ...** The fact that it was well-established long before OP's 1930s movies is attested by this sentence in the Transactions of the Annual Meeting from the South Carolina Bar Association, 1886 And to-day, "free white and twenty-one," that slang phrase, is no longer broad enough to include the voters in this country. You can contact John, Jane or me (myself) for more information You'll need to complete a few actions and gain 15 reputation points before being able to upvote. Upvoting indicates when questions and answers are useful. What's reputation and how do I get it? Instead, you can save this post to reference later. *grammaticality - Is the phrase "for free" correct? - English ...* Aug 16, 2011 · 6 For free is an informal phrase used to mean "without cost or payment." These professionals were giving their time for free. The phrase is correct; you should not use it where you are supposed to only use a formal sentence, but that doesn't make a phrase not correct. "Complimentary" vs "complementary" - English Language Mar 4, 2011 · I got a bit mixed up just now

regarding the difference between "complimentary" and "complementary". My colleagues were arguing about the correct spelling of "complimentary drink" at a nightclub ev...
